

Dover District Council Cost of living website

As per our Cost of Living Plan, we've dedicated a number of web pages to providing information and resources on how to cope with the rising expenses of everyday life. This will help our communities be more aware, informed and empowered to navigate the rise in the cost of living.

Look out for our Community Roots Van

The Dover District Council Community Roots Van, is a fully equipped office on wheels, helping bring council services to communities across the Dover District. The van is there to assist with tackling social isolation and supporting communities in becoming more digitally inclusive. We'll be providing advice, support (and some fun) at a town or village near you!
