Question 1) * This does not include general housing advice. By presenting we mean all who presented themselves as homeless even if they were not subsequently assessed. This might include individuals who presented before 56 days of becoming homeless, or at risk of homelessness, believed they were homeless but did not meet requirement, presented but were not eligible for homelessness assistance.

Question 2) ** This would include either or both members of a couple aged 16-24, or any children or other adults aged 16-24 included as part of a family. If it is only possible to provide age data for the main applicant, please leave this question blank

Question 3) *** While this assessment is a new duty brought in by the HRA, it is a duty under part 7 of the Housing Act as amended by the HRA.

Question 7) **** By this we mean- following unsuccessful prevention and/or relief outcomes, how many young people underwent a final assessment under part 7 of the Housing Act in order to assess their eligibility for a statutory main housing duty
