PART 1 SUMMARY AND EXPLANATION

[This page has been intentionally left blank]

Part 1 – Summary and Explanation

The Council's Constitution

Dover District Council has agreed a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 16 articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

Article 1 of the Constitution commits the Council to achieving the delivery of identifiable and accountable corporate leadership for the local authority and the community which it serves and to the provision of efficient, open and transparent and accountable decision making.

Articles 2 – 16 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2)
- Citizens and the Council (Article 3)
- The Council Meeting (Article 4)
- Chairing the Council (Article 5)
- Overview and Scrutiny of Decisions (Article 6)
- The Executive (Article 7)
- Regulatory and Other Committees (Article 8)
- The Governance Committee (Article 9)
- Area Committees and Forums (Article 10)
- Joint Arrangements (Article 11)
- Officers (Article 12)
- Decision Making (Article 13)
- Finance, Contracts and Legal Matters (Article 14)
- Review and Revision of the Constitution (Article 15)
- Suspension, Interpretation and Publication of the Constitution (Article 16)

How the Council operates

The Council is composed of 32 councillors elected every four years.

Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Governance Committee advises them on the code of conduct.

All councillors meet together as the Council. Meetings of the Council are normally open to the public. Here councillors decide the Council's overall policies and set the budget each year. The functions and roles of full Council include:

- To adopt the Constitution and any subsequent changes to it;
- To determine the decision-making structure of the Council and its internal procedural rules;
- To elect annually the Chairman and Vice-Chairman of the Council (who shall not be members of the Cabinet);
- To elect the Leader of the Council for a four-year term at the Annual Meeting of the Council following on from the ordinary election of all Councillors, who appoints the Cabinet;
- To remove the Leader of the Council by a simple majority vote;
- To make appointments to committees;
- To provide the forum for all members of the Council to consider and decide the Council's Policy Framework and Budget (which is submitted for approval by the Leader and Cabinet);
- To take decisions in respect of functions that are the responsibility of the Leader and Cabinet but which are not in accordance with the Policy Framework or Budget agreed by the Council;
- To take decisions in respect of functions which are not the responsibility of the Leader and Cabinet and which have not been delegated by the Council to committees, sub-committees or officers;
- To provide a public forum whereby members and the public may ask questions on matters relevant to the Council's functions and to bring forward matters for debate;
- To allow questions to be put to the Leader and Cabinet;
- To receive reports from all committees of the Council (i.e. the Scrutiny, Governance and Regulatory Committees) providing opportunity for questions and comments from members;
- To receive reports and to confirm or otherwise deal with the recommendations of the Cabinet or Council committees upon matters which are reserved to the Council for decision;

- To direct any Scrutiny Committee with regard to carrying out any programme of work or investigation;
- To receive reports and recommendations from the Head of Paid Service, Monitoring Officer and Director of Housing, Finance and Assets.
- To adopt the Council's code of conduct;
- To make or confirm the appointment of Chief Officers;
- To determine those matters which must under current legislation, be decided by the Council and not be delegated to a Committee or an officer.

How Decisions are made

The Executive

The executive is the part of the Council which is responsible for most day-to-day decisions. The executive is made up of the Leader of the Council, who is elected by the Council for a four-year term at the Annual Meeting of the Council following on from the ordinary election of all Councillors, and a Cabinet of up to nine councillors who are appointed by the Leader. When major decisions are to be discussed or made, these are published in the executive's notice of forthcoming key decisions insofar as they can be anticipated. If these major decisions are to be discussed with council officers at a meeting of the executive, this will generally be open for the public to attend except where personal or confidential matters are being discussed. The executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

Overview and Scrutiny Committee

There is one overview and scrutiny committees that supports and monitors the work of the executive and the Council as a whole. The Overview and Scrutiny Committee is responsible for 'call in' and co-ordination of scrutiny. Overview and scrutiny allow a citizens to have a greater say in Council matters by holding public inquiries into matters of local concern. These lead to reports and recommendations which advise the executive and the Council as a whole on its policies, budget and service delivery. The overview and scrutiny committee also monitors the decisions of the executive. There is a procedure for 'call-in' of a decision which has been made by the executive but not yet implemented which enables the Overview and Scrutiny Committee to consider whether the decision is appropriate and it may recommend that the executive reconsider the decision. The Overview and Scrutiny Committee may also be consulted by the executive or the Council on forthcoming decisions and the development of policy.

Advisory Groups

Advisory groups can be appointed by the Cabinet to support the work of the executive on specific projects or on specific functions or activities. They operate informally and are broadly politically balanced. Such a group will include an executive member who will chair the group. They allow other members of the Council who are not members of the executive to contribute to project development and advise on certain functions/activities before determination of the matter by the executive out of the context of full Council meetings and the formal overview and scrutiny committee process. The groups can also make reports and give recommendations to the executive, but the decision must always be made by the executive (either the Leader, Cabinet or an individual Portfolio Holder).

Community Consultation Forums

In order to give local citizens a greater say in council affairs, community consultation forums may be created on key issues.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between officers and members of the Council.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific council services, for example as a council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- vote at local elections if they are registered;
- contact their local councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of executive;
- participate in the Council's question time and contribute to investigations by the overview and scrutiny committees in accordance with any procedures laid down;
- find out from the executive's notice of forthcoming key decisions what major decisions are to be discussed by the executive or decided by the executive or officers, and when;
- attend meetings of the executive where key decisions are being discussed or decided;
- see reports and background papers, and any record of decisions made by the Council and executive, except where, for example, personal or confidential matters are being reported;
- complain to the Council about Council services – the Council encourages its customers through its Corporate Complaints Procedure to express their concerns so that there is an opportunity to put things right for the customer and improve the service;
- complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- complain to the Monitoring Officer if they have evidence which they think shows that a councillor has not followed the Council's Code of Conduct;
- inspect the Council's accounts and make their views known to the external auditor;

- make a request for information pursuant to the Freedom of Information Act 2000; and
- present a petition to the Scrutiny (Policy and Performance) Committee.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Democratic Services Team for details.

A statement of the rights of citizens to inspect agendas and reports and attend meetings may be obtained on request at the Council offices.

 - (c) the level and nature of advice sought by the decision-maker. The Monitoring Officer and Section 151 Officer will have significant roles to play in this.

The Scrutiny (Policy & Performance) Committee shall report to the executive the outcome of its deliberations in sufficient time for the executive to consider the views of Scrutiny (Policy and Performance), make its recommendations to Council and for Council to meet and set the budget and Council tax before 11 March.
- (c) Having considered the report of the Scrutiny (Policy & Performance) Committee, the executive, if it considers it appropriate, may amend its proposals before submitting them to a council meeting prior to 11 March for consideration and adoption. It will also report to Council on how it has taken into account any recommendations from the overview and scrutiny committee.
- (d) The Council will consider the proposals of the executive and may adopt them, amend them, refer them back to the executive for further consideration, or substitute its own proposals in their place. In considering the matter, the Council shall have before it the executive's proposals and any report from any relevant Scrutiny (Policy & Performance) Committee having regard to the requirement for the Council to set the council tax before 11 March. The council tax levy requires receipt of precepts from precepting authorities and will be submitted to the council meeting.
- (e) If the Leader objects to the decision of the Council, he/she shall give written notice to the proper officer to that effect during the first working day after the Council's decision. The written notification must state the reasons for the objection. Where such notification is received, the proper officer shall convene a further meeting of the Council to reconsider its decision and the decision shall not be effective pending that meeting.
- (f) The Council meeting must take place within 7 working days of the receipt of the Leader's written objection. At that council meeting, the decision of the Council shall be reconsidered in the light of the objection, which shall be available in writing for the Council.
- (g) The Council shall at that meeting make its final decision on the matter.

- (h) The policy on virements is set out in Financial Procedure Rules. Any other changes to the budget and policy framework, i.e. significant net increases in the General Fund, Housing Revenue Account, or Capital projects, are reserved to the Council.
- (i) Any of the time periods set out within the process for developing the Budget and Policy Framework contained herein may be varied by agreement between the Executive and the Scrutiny (Policy and Performance) Committee provided that proper regard is had to allowing a reasonable period of time at each stage.

3. 3. Decisions outside the budget or policy framework

- (a) Subject to the provisions of virements the executive, committees of the executive, individual members of the executive and any officers, area committees or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the Budget approved by full Council, then that decision may only be taken by the Council, subject to 4 below.
- (b) If the executive, committees of the executive, individual members of the executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the chief financial officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the Budget and Policy Framework) shall apply.
- (c) Changes to income and expenditure contained within the approved budgets do not constitute a departure from the budget and policy framework provided they are contained within the overall approved resource envelope.

4. Urgent decisions outside the Budget or Policy Framework

- (a) The executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - (i) If it is not practical to convene a quorate meeting of the full Council; and
 - (ii) If the chair of Scrutiny (Policy & Performance) Committee agrees that the decision is a matter of urgency.
- (b) The reasons why it is not practical to convene a quorate meeting of full Council and the chair of Scrutiny (Policy & Performance) Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chair of Scrutiny (Policy & Performance) Committee the consent of the chairman of the Council and in the absence of both the vice-chairman of the Council will be sufficient.

- (c) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. In-year changes to Policy Framework

The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by the executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions must be in line with it.

6. Call-in of decisions outside the Budget or Policy Framework

- (a) Where Scrutiny (Policy & Performance) Committee is of the opinion that an executive decision is, or if made would be, contrary to the Policy Framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or chief financial officer.
- (b) In respect of functions which are the responsibility of the executive, the Monitoring Officer's report and/or chief financial officer's report shall be to the executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the executive must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the chief financial officer conclude that the decision was a departure, and to the Scrutiny (Policy & Performance) Committee if the Monitoring Officer or the chief financial officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the chief financial officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the budget, the Scrutiny (Policy & Performance) Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 10 days of the request by the Scrutiny (Policy & Performance) Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the chief financial officer. The Council may either:
 - (i) Endorse a decision or proposal of the executive decision taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way; *or*
 - (ii) Amend the Council's financial regulations or policy concerned to encompass the decision or proposal of the body or individual responsible for that execution function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way; *or*
 - (iii) Where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, and does not amend the existing framework to accommodate it, require the executive to reconsider the matter in accordance with the advice of either the Monitoring Officer/chief financial officer.

The report presented by the Leader will contain the following information about executive functions in relation to the coming year:

1.3 **Sub-delegation of executive functions**

- (a) Where the Leader of the Council chooses to delegate responsibilities to the executive, a committee of the executive or an individual member of the executive, unless s/he decides otherwise then they may delegate further to an executive committee, area committee, joint arrangements or an officer.
- (b) Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

1.4 **The Council's scheme of delegation and executive functions**

- (a) Subject to (b) below the Council's scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.
- (b) The Leader may amend the scheme of delegation relating to executive functions at any time during the year. To do so, the Leader must give written notice to the proper officer and to the person, body or committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the executive as a whole. The proper officer will present a report to the next ordinary meeting of the Council setting out the changes made by the Leader.
- (c) Where the Leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he/she has served it on its chairman.

1.5 **Conflicts of Interest**

- (a) Where the Leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.
- (b) If every member of the executive has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.
- (c) If the exercise of an executive function has been delegated to a committee of the executive, an individual member or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

1.6 **Executive meetings – when and where?**

- (a) The executive will meet at least 12 times per year at times to be agreed by the Leader. The executive shall meet at the Council's main offices or another location to be agreed by the Leader and the Cabinet.
- (b) Meetings of the executive will generally be broadcast via the Council's website whilst the meeting is open to the public and unless otherwise determined by the appropriate officer under the Scheme of Officer Delegations or by the executive.

- (c) The Proper Officer will give notice to the public of the time and place of any meeting in accordance with the Access to Information Rules. At least five clear days before a meeting, the Proper Officer will send a summons signed by him or her to every member of the Council. All Members serving on a body will receive an electronic copy of the summons and agenda unless they have requested a paper copy which will be made available for collection from the Council Offices. All Members will receive an electronic notification by e-mail. The summons will give the date, time and place of each meeting and specify the business to be transacted and will be accompanied by such reports as are available.

1.7 Public or private meetings of the executive?

Meetings of the executive shall be public except as permitted under Rule 10 of the Access to Information Procedure Rules.

1.8 Quorum

The quorum for a meeting of the executive shall be 3. The quorum for a meeting of a committee of the executive shall be 3.

- (a) Executive decisions which have been allocated or delegated to the executive as a whole will be taken at a meeting convened in accordance with the Access to Information Rules in Part 4 of the Constitution.
- (b) Where executive decisions are allocated or delegated to a committee of the executive, the rules applying to executive decisions taken by them shall be the same as those applying to those taken by the executive as a whole.

2. HOW ARE EXECUTIVE MEETINGS CONDUCTED?

2.1 Who presides?

If the Leader is present he/she will preside. In his/her absence, the Deputy Leader shall preside. In the absence of both, it shall be a member of the executive appointed by those present.

2.2 Who may attend?

These details are set out in the Access to Information Rules in Part 4 of this Constitution.

2.3 What business?

At each meeting of the executive the following business will be conducted:

- (i) consideration of the record of decisions of the last meeting;
- (ii) declarations of interest, if any;
- (iii) matters referred to the executive (whether by an overview and scrutiny committee or by the Council) for reconsideration by the executive in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4 of this Constitution;
- (iv) consideration of reports from overview and scrutiny committees; and
- (v) matters set out in the agenda for the meeting, and which shall indicate which are key decisions and which are not in accordance with the Access to Information Procedure rules set out in Part 4 of this Constitution.

2.4 Consultation

All reports to the executive from any member of the executive or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant overview and scrutiny committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 Who can put items on the executive agenda?

The Leader will decide upon the schedule for the meetings of the executive. He/she may put on the agenda of any executive meeting any matter which he/she wishes, whether or not authority has been delegated to the executive, a committee of it or any member or officer in respect of that matter. The proper officer will comply with the Leader's requests in this respect.

Any member of the executive may require the proper officer to make sure that an item is placed on the agenda of the next available meeting of the executive for consideration. If he/she receives such a request the proper officer will comply.

The Monitoring Officer and/or the section 151 officer may include an item for consideration on the agenda of an executive meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the head of paid service, section 151 officer and Monitoring Officer are of the opinion that a meeting of the executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an executive meeting. If there is no meeting of the executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

2.6 Advisory Groups

The Cabinet may appoint such cross-party advisory groups as it wishes in order to assist in the work of the executive. Such groups may be appointed from time to time in order to advise the Cabinet on one or more specific projects or to advise on matters relating to a particular executive function or activity eg grants and capital expenditure. 8. **Major Reviews**

All major reviews will be supported by a project plan developed in consultation with the appropriate agenda officer or an officer designated by them and a realistic assessment should be made at the outset of the resources required to support the review and the availability of them.

9. **Minor Review**

All minor reviews will be assessed on a case by case basis to determine whether a project brief will be required. The relevant scrutiny committee in conjunction with Democratic Services will co-ordinate all aspects of any minor review undertaken and be empowered to prioritise workload and use of resources.

- (2) The Chairman and Controlling Group Spokesperson for each committee, in consultation with the relevant Head of Service, shall develop a programme of meetings (or other arrangements) to deal with agenda setting, pre-committee briefings and work programme monitoring.

Subject to the Protocol set out below:

- (a) Any member of an overview and scrutiny committee or sub-committee shall be entitled to give notice to the Proper Officer that he/she wishes an item relevant to the functions of the committee or sub-committee to be included on the agenda for the next available meeting of the committee or sub-committee. - (5) Democratic Services Officer to be kept informed of discussions and pass information to the Chairman of the Committee.
- (6) Member to make informed decision whether they wish item to be placed on agenda, taking into account discussions with relevant Officer(s).

The overview and scrutiny committees shall also respond, as soon as their work programme permits, to requests from the Council and if it considers it appropriate the executive to review particular areas of Council activity. Where they do so, the overview and scrutiny committee shall report their findings and any recommendations back to the executive and/or Council. The Council and/or the executive shall consider the report of the overview and scrutiny committee within one month of receiving it.

12. **Policy review and development**

- (a) The role of the overview and scrutiny committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules.
- (b) In relation to the development of the Council's approach to other matters not forming part of its Policy and Budget Framework, overview and scrutiny committee or sub-committees may make proposals to the executive for developments insofar as they relate to matters within their terms of reference.
- (c) Overview and scrutiny committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

13. **Reports from overview and scrutiny committees**

- (a) Once it has formed recommendations on proposals for development, the overview and scrutiny committee will prepare a formal report and submit it to the proper officer for consideration by the executive (if the proposals are consistent with the existing Budgetary and Policy Framework), or to the Council as appropriate (eg if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).
- (b) If an overview and scrutiny committee cannot agree on one single final report to the Council or executive as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or executive with the majority report subject to the following conditions:
 - (i) minority reports must be determined at the Overview and Scrutiny Committee;
 - (ii) minority reports must be supported by a minimum of two members (a proposer and a seconder) and recorded in the minutes of the meeting.
- (c) The Council or executive shall consider the report of the overview and scrutiny committee within one month of it being submitted to the proper officer.

14. **Making sure that overview and scrutiny reports are considered by the executive**

- (a) Once an overview and scrutiny committee has completed its deliberations on any matter it will forward a copy of its final report to the proper officer who will allocate it to either or both the executive and the Council for consideration, according to whether the contents of the report would have implications for the Council's Budget and Policy Framework. If the proper officer refers the matter to Council, he/she will also serve a copy on the Leader with notice that the matter is to be referred to Council. The executive will have 4 weeks in which to respond to the overview and

scrutiny report, and the Council shall not consider it within that period. When the Council does meet to consider any referral from an overview and scrutiny committee on a matter which would impact on the Budget and Policy Framework, it shall also consider the response of the executive to the overview and scrutiny proposals.

- (b) The agenda for executive meetings shall include an item entitled 'Issues arising from overview and scrutiny'. The reports of overview and scrutiny committees referred to the executive shall be included at this point in the agenda (unless they have been considered in the context of the executive's deliberations on a substantive item on the agenda) within 4 weeks of the overview and scrutiny committee completing its report/recommendations.
- (c) In considering a report from Overview and Scrutiny, the Cabinet must either accept, reject or amend the recommendations and where it rejects a recommendation it must give reasons for it.
- (d) Where an overview and scrutiny committee or sub-committee prepares a report for consideration by the executive in relation to a matter where an individual member has delegated decision making power, then the overview and scrutiny committee will submit a copy of their report to that individual for consideration. At the time of doing so, the overview and scrutiny committee shall serve a copy on the proper officer and the Leader. If the member with delegated decision making power does not accept the recommendations of the overview and scrutiny committee then he/she must then refer the matter to the next available meeting of the executive for debate before exercising his/her decision making power and responding to the report in writing to the overview and scrutiny committee. The executive member to whom the decision-making power has been delegated will respond to the overview and scrutiny committee within 4 weeks of receiving it. A copy of his/her written response to it shall be sent to the proper officer and he/she will attend a future meeting to respond.
- (e) Overview and scrutiny committees will in any event have access to the executive's forward plan and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from an overview and scrutiny committee following a consideration of possible policy/service developments, the committee will at least be able to respond in the course of the executive's consultation process in relation to any key decision.

15. **Rights of overview and scrutiny committee members to documents**

- (a) In addition to their rights as councillors, members of overview and scrutiny committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.
- (b) Nothing in this paragraph prevents more detailed liaison between the executive and overview and scrutiny committee as appropriate depending on the particular matter under consideration.

16. **Members and officers giving account**

(a) Any overview and scrutiny committee or sub-committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of the executive, the head of paid service and/or any chief officer or senior manager to attend before it to explain in relation to matters within their remit:

- (i) any particular decision or series of decisions;
- (ii) the extent to which the actions taken implement Council policy; and/or
- (iii) their performance

and it is the duty of those persons to attend if so required.

(b) Where any member or officer is required to attend an overview and scrutiny committee or sub-committee under this provision, the chair of that committee or sub-committee will inform the proper officer. The proper officer shall inform the member or officer in writing giving reasonable notice (having regard to the protocol set out in Rule 18) of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee or sub-committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

(c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the overview and scrutiny committee or sub-committee shall in consultation with the member or officer arrange an alternative date for attendance.

(d) Regard shall be had to Paragraph 50 of the Protocol on Member/Officer Relations and to the Protocol set out in Rule 18 below).

(e) An overview and scrutiny committee may require the attendance of any member to answer questions in regard to the exercise of powers granted under Section 236 of the Local Government and Public Involvement in Health Act 2007.

Regard shall be had to the Protocol set out in Rule 18 below.

The overview and scrutiny committee designated as the crime and disorder committee may require the attendance before it of an officer or employee of a responsible authority or co-operating person or body, in order to answer questions or otherwise provide information in accordance with the provisions of the agreed Councillor Call for Action protocol.

18. Call-in

- (a) When a decision is made by the Leader of the Council, executive, an individual member of the executive or a committee of the executive, or a Councillor with delegated Executive authority, or a key decision is made by an officer with delegated authority from the executive, or an area committee or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 days of being made. The Chair of the overview and scrutiny committee (and all other members of the Council) will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.
- (b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented at 12.00 noon, on the fourth working day after the publication of the decision, unless it is called-in.
- (c) By 10.00 am on the fourth working day after publication of the decision, the proper officer shall call-in a decision for scrutiny by the Overview and Scrutiny Committee if so requested in writing by the chairman or controlling group spokesperson of the Overview and Scrutiny Committee or, in their absence, the Vice-Chairman and Deputy Controlling Group Spokesperson, or by any three non-executive members of the Council, and shall then notify the decision-taker of the call-in. A meeting of the Overview and Scrutiny Committee shall then be held within 15 working days of the decision to call-in. Reasons for calling-in an executive decision should be given and recorded in the agenda.
- (d) If, having considered the decision, the Overview and Scrutiny Committee is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. If referred to the decision maker they shall then reconsider within a further 10 working days, amending the decision or not, before adopting a final decision.
- (e) If following an objection to the decision, the Overview and Scrutiny Committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the overview and scrutiny meeting, or the expiry of that further 10 working day period, whichever is the earlier.
- (f) If the matter was referred to full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, it has no locus to make decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the Council will refer any decision to which it objects back to the decision making body, together with Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the executive as a whole or a committee of it, a meeting will be convened to reconsider within 10 working days of the Council request. Where the decision was made by an individual, the individual will reconsider within 10 working days of the Council request.

- (g) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.
- (h) Where an executive decision has been taken by an area committee, then the right of call-in shall extend to any 5 members of another area committee if they are of the opinion that the decision made but not implemented will have an adverse effect on the area to which their committee relates. In such cases, those 5 members may request the proper officer to call-in the decision. He/she shall call a meeting of the Overview and Scrutiny Committee on such a date as he/she may determine, where possible after consultation with the chairman of the committee, and in any case within 10 working days of the decision to call-in. All other provisions relating to call-in set out above shall apply.

GUIDELINES

- (j) Call-in should only normally be exercised in exceptional circumstances; for example where the relevant chairman or controlling group spokesperson or non-executive members are satisfied that the executive decision maker failed to make the decision in accordance with the principles set out in Article 13 (Decision Making).
- (k) To avoid the possibility of many emergency Council meetings, overview and scrutiny committees should only use the power to refer matters to the full Council if they consider that the decision is contrary to or not wholly in accordance with the Budget or Policy Framework.

CALL-IN AND URGENCY

- (l) The call-in procedure set out above shall not apply where the decision being taken by the executive is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The chairman of the Council must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the chairman, the vice-chair's consent shall be required. In the absence of both, the head of paid service or his/her nominee's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- (m) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

19. The party whip

When considering any matter in respect of which a member of an overview and scrutiny committee is subject to a party whip the member must declare the existence of the whip, and the nature of it before the commencement of the committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

20. Procedure Framework

For topic reviews every effort will be made to determine a time/date which is convenient for the majority of persons/parties due to attend.
 - (iii) Expectations regarding the investigation and the level of courtesy and respect to be shown to witnesses.
 - (a) The investigation shall be conducted so as to maximise the efficiency of the investigation or analysis;
 - (b) The investigation shall be conducted fairly and in a focused and respectful manner and all members of the committee shall be given the opportunity to ask questions of attendees, and to contribute and speak; and

(c) Those assisting the committee by giving evidence shall be treated with respect and courtesy.

(iv) Provision for written evidence to be submitted.

Written evidence in support, or in place of, oral evidence by witnesses, will only be included within the Committee's (or sub-committee's) report where the witnesses consent has been obtained.

(v) Requirement to give appropriate notice to witnesses regarding the questions they are to be asked and the issues they are expected to respond to before the Committee.

For all reviews a minimum of two clear working days notice shall be given.

(vi) Procedures for the validation of evidence by witnesses prior to its inclusion within the Committee's final report.

The witness should give prior consent for inclusion of any information attributed to him/her.

COUNCILLOR CALL FOR ACTION PROTOCOL

INTRODUCTION

1. This protocol has been drawn up based on the legislative requirements, government guidance and guidance issued by the Improvement and Development Agency and the Centre for Public Scrutiny.
2. This protocol applies in respect of Councillor Call for Action (CCfA) referrals from District Councillors exercised under Section 19 of the Police and Justice Act 2006 and Section 119 of the Local Government and Public Involvement in Health Act 2007, as incorporated into Section 21A of the Local Government Act 2000.
3. The Overview and Scrutiny Committee is the designated Overview and Scrutiny Committee for the purpose of CCfA referrals from Ward Councillors relating to 'crime and disorder' matters and for the purpose of CCfA referrals from ward councillors relating to 'local government' matters.
4. The Overview and Scrutiny Committee is designated as the Crime and Disorder Committee under Section 19 of the Police and Justice Act 2009.
5. The definition of the 'area represented by the member' is the Ward for which a District Councillor is elected.¹

WHAT IS A COUNCILLOR CALL FOR ACTION?

6. The Councillor Call for Action provides a process by which a Ward Councillor can act on behalf of their constituents to resolve issues of local concern in respect of local government and crime and disorder matters that are beyond their capability to resolve and where all other methods of resolution have been exhausted.
7. A CCfA is not a guarantee that the designated Overview and Scrutiny Committee will resolve the issue referred to it. It is however, recognition that the issue is significant enough to merit the time and resources required to attempt to resolve the matter.

PRINCIPLES OF THE COUNCILLOR CALL FOR ACTION

8. The operation of CCfA at Dover District Council is based on the following key principles:
 - Transparency in decision-making, and the involvement of scrutiny in the decision-making process at some level.
 - A willingness to identify mistakes and shortcomings, and recognition of the need to resolve problems through discussion.
 - An understanding of the role that scrutiny can play to help a Council to improve its services.
 - An understanding and a wish to bolster and support the role that Ward Councillors play as champions and leaders of their communities.

WHAT MATTERS CONSTITUTE A COUNCILLOR CALL FOR ACTION?

¹ As per definition of electoral area under Section 203(1) of Representation of the People Act 1983

9. A CCfA for a local government matter must:
- (a) Relate to the discharge of any function of the Council; or
 - (b) Relate to an issue that directly affects all or part of the electoral area for which the member is elected or any person who lives or works in that area; or
 - (c) Relate to an allegation that the Council has failed to discharge a function for which it is responsible or that the discharge of the function has failed/is failing on a systematic basis;
10. A CCfA for a crime and disorder matter must:
- (a) Relate to Crime and Disorder (including in particular forms of crime and disorder that involve anti-social behaviour or other behaviour adversely affecting the local environment) which affects all or part of the area represented by the councillor; or
 - (b) Relate to the misuse of drugs, alcohol and other substances in that area.

WHAT IS EXCLUDED FROM A COUNCILLOR CALL FOR ACTION?

11. The following matters are excluded from the scope of the CCfA²:
- (a) Any matter relating to a planning decision;
 - (b) Any matter relating to a licensing decision;
 - (c) Any matter relating to an individual or entity in respect of which there is a statutory right of recourse to an appeal;
 - (d) Any matter which is vexatious, discriminatory, or not reasonable to be included in the agenda for, or to be discussed at, a meeting of the Overview and Scrutiny Committee or at a meeting of a Sub-Committee of that Committee;
 - (e) Any matter relating to an individual complaint, for which the Council's corporate complaints procedure should be followed;
 - (f) The scrutinising of matters of wider Council policy;
 - (g) Any decision of the Cabinet which has been taken but not yet implemented, for which the Call-In procedure should be used;
 - (h) The resolution of urgent matters in view of the time that may be needed for the Committee to assess the initial referral and then investigate the matter;
 - (i) An individual Ward Councillor's own personal agenda issues. It is the purpose of the CCfA to champion issues of genuine local concern that have a direct impact on the community.
12. In that in the case of exclusions (b)-(d), these exclusions do not apply if the allegation relates to a systemic failure in respect of the Council's service.

² For the purposes of exclusions, items (a)–(d) are excluded by The Overview and Scrutiny (Reference By Councillors) (Excluded Matters) (England) Order 2008.

WHAT IS EXPECTED OF WARD COUNCILLORS?

13. The CCfA is essentially recognition of the role undertaken by Ward Councillors in taking up either local government matters or crime and disorder matters on behalf of the community they serve. Accordingly, the responsibility to champion a CCfA ultimately lies with the Ward Councillor, subject to the guidance set out in this protocol, to decide:
 - Which issues to take forward as a CCfA;
 - When an issue should be referred to Overview and Scrutiny;
 - When they can resolve the issue without recourse to the crime and disorder committee; and
 - When to reject an issue as a CCfA.
14. A Ward Councillor should only accept a CCfA request if they believe that it is an issue of genuine local community concern and, in the case of a crime and disorder CCfA, that it falls within the powers of the crime and disorder committee as set out in this protocol.
15. As part of this process a Ward Councillor in a multi-member ward should check to see if another Member has accepted or rejected this issue as a CCfA. However, even if a Member has rejected the issue as a CCfA, this does not prevent another Member in the same ward from taking a different view and referring the matter as a CCfA.
16. A Ward Councillor must in all cases respond the person who referred the CCfA matter to them and state what action, if any, they intend to take in respect of the matter.
17. Once a Ward Councillor accepts a potential CCfA they should contact the Democratic Services Team and seek guidance. At this point the Ward Member should continue to take steps themselves to try and resolve the issue through existing mechanisms.

CRIME AND DISORDER OVERVIEW AND SCRUTINY COMMITTEE

18. The designated crime and disorder committee has the power to:
 - Review or scrutinise decisions made, or other action taken, in connection with the discharge by the responsible authorities of their crime and disorder functions;
 - Make reports or recommendations to the responsible authority with respect to the discharge of those functions.
19. A 'responsible authority'³ is:
 - Dover District Council;
 - A Chief Officer of Police for whom any part of his/her police area falls within the area of Dover District Council.
20. The crime and disorder committee must meet no less than twice in every twelve-month period to consider crime and disorder matters.

CO-OPTEEES ON THE CRIME AND DISORDER OVERVIEW AND SCRUTINY COMMITTEE

³ A 'responsible body' is any body or person defined as such in Section 5 of the Crime and Disorder Act 1998 in relation to Dover District Council's administrative area, which is for practical purposes those authorities responsible for crime and disorder strategies.

21. The crime and disorder committee has the power to co-opt additional members from those persons or bodies who are responsible authorities to serve on the Committee where it considers this to be appropriate in the exercise of its functions. The co-opted person has the same entitlement to vote as any other member of the Committee unless a decision has been taken to limit the exercise of their powers in relation to a particular matter or type of matter. Further details on the rules for co-optees can be found under in the Council's Constitution under the Overview and Scrutiny Procedure Rules.
22. If the crime and disorder committee decides to co-opt someone from a responsible authority or co-operating person/body, they must be consulted as to the most suitable person. A co-opted member will not be entitled to claim any allowances provided under the Members Allowance Scheme.

THE REFERRAL PROCEDURE

23. In the event that a Ward Councillor has registered a potential CCfA with the Democratic Services Team and has made efforts to resolve the matter through existing mechanisms but still been unsuccessful in doing so, they may ask for the matter to be referred to Overview and Scrutiny as a CCfA.
24. All referrals by Ward Councillors in respect of a CCfA must be submitted on the appropriate form for the attention of the Democratic Services Manager, Dover District Council, White Cliffs Business Park, Dover, Kent CT16 3PJ or by e-mail to democraticservices@dover.gov.uk
25. As part of this form, the Councillor should supply supporting evidence/information indicating:
 - (a) The degree of local concern or support for the CCfA (eg from local constituents, the Parish or Town Council or local community groups);
 - (b) Why, in the case of crime and disorder matters, it might be appropriate for the committee to make recommendation or report to the Council in respect of the CCfA matter; and
 - (c) The previous action the Councillor or local people have taken to try and resolve the matter. The evidence of possible alternative action could be:
 - Discussions with other Ward Members (if in multi-member ward);
 - Informal discussions with officers or other members (including the Cabinet);
 - Formal representations written on behalf of constituents;
 - Public meetings;
 - Petitions;
 - Questions or Motions on the agenda at Full Council;
 - Communication with local MPs;
 - Communication with Councillor's in other authorities (for example, if the matter concerns county level services);
 - Web or e-mail based campaigns.
26. It is important that at the start of the process the Ward Councillor is clear about what resolution s/he would wish to achieve and be realistic in their aspirations.

RIGHT OF APPEAL AGAINST A DECISION BY A WARD COUNCILLOR TO NOT REFER A CCfA

27. If a Ward Councillor decides not to refer a matter as a CCfA then there is no right of appeal and no further action will be taken under the CCfA protocol. However, anyone who lives, works or studies within the Dover District does have the option of submitting a topic to the Council's Overview and Scrutiny Committee for consideration for inclusion in its work programme.

ASSESSMENT BY THE OVERVIEW AND SCRUTINY COMMITTEE

28. The Democratic Services Manager will log the receipt of a CCfA referral and schedule the matter for consideration by the appropriate Overview and Scrutiny Committee. The item will be included on the agenda for the next available meeting of the committee within, where possible, 30 working days. The Ward Councillor referring the CCfA will be invited to attend the Committee meeting.
29. The Committee is required to consider the matter and decide what further action, if any, it wishes to take. As part of the assessment process, the Committee will provide challenge to the CCfA in order to validate its achievability and the robustness of the evidence submitted in support of it.
30. In considering the CCfA referred to the Committee, consideration should be given to the following criteria:
- Has the Ward Councillor has made a reasonable attempt at achieving a resolution?
 - Have the circumstances or evidence changed in the event that the issue is the same as the subject of another CCfA?
 - Has the relevant service or partner agency been given sufficient opportunity to resolve the matter?
 - Is the issue currently been considered by an Overview and Scrutiny Committee or scheduled in a work programme for consideration during the municipal year?
 - Is the matter within the scope of the CCfA to consider?
31. The CCfA referred to the Committee should be rejected if:
- It concerns one of the excluded matters listed in this procedure;
 - The Ward Councillor has not in the view of the committee fully explored the issue or exhausted all alternative avenues;
 - The issue referred by the CCfA cannot in the view of the Committee be resolved; or
 - The issue is not within the scope of a local government matter or a crime and disorder matter.

ACCESS TO INFORMATION (CRIME AND DISORDER MATTERS)

32. In the case of a crime and disorder CCfA, where the committee makes a request for information relevant to the exercise of its functions to the responsible authorities or the co-operating persons/bodies, they must provide such information by no later than the date indicated or as soon as reasonably possible after that date unless:
- It would prejudice current or future operations of the responsible authorities or the co-operating persons or bodies; or

- If it would allow a living individual to be identified (unless such information is necessary or appropriate in order to enable the crime and disorder committee to exercise its powers).

RESOLUTION OF A COUNCILLOR CALL FOR ACTION REFERRAL

33. In the event that the Committee is satisfied that the Ward Councillor has explored all necessary avenues open to him/her in progressing the matter as far as she or he can, it will seek to achieve a resolution to the matter. This can include, but is not limited to, the following:
- Request the attendance of an Officer or Member to provide further information (see below).
 - Refer the matter to the Council's Overview and Scrutiny Committee to action or incorporate into its work programme.
 - Request further information from a partner organisation.
 - Make recommendations to the Cabinet/Council concerning a District Council function as to how the matter might be resolved.
 - Facilitate dialogue between members of the community.
 - Decide to take no further action.
34. For the purposes of a local government CCfA, the Council's partners should be considered to be those in line with the focus of the Comprehensive Area Assessment and the partners involved in the Local Strategic Partnership.

ATTENDANCE AT COMMITTEE MEETINGS (CRIME AND DISORDER MATTERS)

35. In addition to the existing powers under the Local Government Act 2000 that allow an Overview and Scrutiny Committee to require members of the Cabinet and Officers of the Council to attend a meeting to answer questions, the crime and disorder committee has the right to require the attendance before it of an officer or employee of a responsible authority or co-operating person or body, in order to answer questions or otherwise provide information. The committee should consult with the responsible body or co-operating person or body to identify the most suitable representative to attend.
36. A minimum of two weeks notice must be provided to any officer or employee of a responsible crime and disorder authority or co-operating person or body, unless they consent to a shorter period of notice.
37. The required officer or employee must attend on the specified date unless the person has a reasonable excuse for not doing so.

RESPONSE TO A LOCAL GOVERNMENT COUNCILLOR CALL FOR ACTION

38. In the event that the Committee decides not to pursue the matter, it must notify the Ward Councillor who referred the CCfA of its decision and the reasons for it.
39. If the Committee decides to make a report or recommendation to the Cabinet or the Council concerning a Council function, the referring Ward Councillor must be provided with a copy of the report or recommendation.

RESPONSE TO A CRIME & DISORDER COUNCILLOR CALL FOR ACTION

40. In the event that the Committee decides not to pursue the matter, it must notify the Ward Councillor who referred the CCfA (or in the event that the CCfA that has been referred to the Committee by the Cabinet it should be the person who originally raised the CCfA) of its decision and the reasons for it.
41. If the Committee decides to make a report or recommendation (which must be in writing) to the Cabinet or Council, a copy of the report or recommendation must be provided to the responsible authorities within one month of the date of the report or recommendation. In addition, the crime and disorder committee may provide a copy of the report or recommendation to any co-operating persons/bodies that it believes to be appropriate.
42. The responsible authority, person or body to which the committee submits a report or recommendation shall:
 - (a) Consider the report or recommendations;
 - (b) Respond to the crime and disorder committee indicating what, if any, action it proposes to take;
 - (c) Have regard to the report or recommendations in exercising its functions.
43. The response from the responsible authority, person or body to which a report or recommendation was made will be reported back to the next available meeting of the crime and disorder committee.

FOLLOW-UP OF RESPONSES AND ACTIONS

44. The crime and disorder committee shall review responses and monitor actions taken by the relevant authorities, co-operating persons, or bodies.

PROTOCOL FOR PUBLIC SPEAKING AT OVERVIEW AND SCRUTINY

APPLICATION OF PROTOCOLS

1. This protocol only applies to the scheduled meetings of the Overview and Scrutiny Committee. It does not apply to extraordinary meetings of either Committee or any Sub-Committees and Working Groups that may be formed from time to time.
2. This protocol will apply with effect from 1 April 2009 and does not affect any rights to speak that you may have at another Committee of the Council.
3. This protocol does not apply to petitions and the scrutiny work programme, which are covered by different procedures.
4. The Chairman may, in exceptional circumstances, alter or amend this procedure as he or she considers necessary.

WHO CAN SPEAK?

5. Anyone who lives or works in the Dover District Council administrative area, including Town/Parish Councillors and County Councillors, are entitled to register to speak at a scheduled meeting of the Council's Overview and Scrutiny Committee, subject to he or she being present at the meeting when the Chairman of the Committee calls upon them to speak.
6. This protocol does not apply in respect of Dover District Councillors, who should instead contact the Chairman of the Overview and Scrutiny Committee prior to the meeting and request to address the Committee. In the case of District Councillors who are dual hatted members, they will be treated as District Councillors for the purposes of this protocol.
7. In accordance with the provisions of the Code of Conduct adopted by Dover District Council, those Councillors with prejudicial interests in the item to be considered will still be able to make representations as if they were a member of the public in circumstances where the Code of Conduct permits them to do so.
8. In the event that several representatives from a single Parish Council register to speak in respect of the same agenda item, they will be grouped together and treated as one speaker for the purposes of this protocol. The Parish Councillor who first registered his or her wish to speak will be invited to speak first.

WHAT CAN I SPEAK ON AT THE MEETING?

9. The right of the public to speak, or indeed to attend, does not apply to business on the agenda in respect of which a resolution to exclude the press and public for the consideration of confidential or exempt business has been carried. For further information on confidential and exempt business please consult Part 4 (Access to Information Procedure Rules) of the Council's Constitution.
10. The Chairman of the Overview and Scrutiny Committee (or in their absence the Vice-Chairman) in consultation with the Controlling Group Spokesperson (or in their absence

the Deputy Controlling Group Spokesperson) can in exceptional cases withdraw the application of this protocol to any item prior to the publication of the agenda where in their view doing so will assist the conduct of business at the meeting. In all cases, the agenda will state where the right of public speaking has been withdrawn.

11. Each registered speaker will have three minutes speaking time per item they have registered to speak on and no public speaker or Parish Council may register to speak on any more than two items on the agenda.
12. The right of the public to speak does not apply to the following agenda items: Apologies; Appointment of Substitute Members; Minutes; the Forward Plan, the Scrutiny Work Programme or any agenda item that is not accompanied by a written report.
13. The right to speak does not include the right to ask any questions of any District Councillor, Officer of the Council, invited attendee, or any other public speaker.
14. Any public speaker should declare at the start of their allotted speaking time if they have a current or prospective financial interest in the subject under discussion.

WHAT WILL HAPPEN AT THE MEETING?

15. The Chairman of the Overview and Scrutiny Committee (or in their absence the Vice-Chairman) will, at the designated point on the agenda, invite people who have registered to speak to identify themselves. The speaker (or speakers where it is a group of Parish Councillors) will then be called upon to move to the designated place and speak for three minutes.
16. A maximum of 30 minutes will be allocated for public speaking at the meeting. In the event there are insufficient speakers registered to fill the allotted 30 minutes, the public speaking time will be ended after the final registered speaker.
17. The Chairman of the Overview and Scrutiny Committee (or in their absence the Vice-Chairman) will have discretion to vary the time allowed and the number of speakers in cases of exceptional interest.
18. The Chairman of the Overview and Scrutiny Committee (or in their absence the Vice-Chairman) will have the discretion to stop a speaker before their allotted time has concluded if in the Chairman's view the speaker is making any comments that are, or appear to be, defamatory, vexatious, discriminatory, contain offensive language, are contrary to the procedures laid out in this protocol, are unrelated to the agenda item under consideration, or behaviour otherwise not appropriate for an Overview and Scrutiny Committee meeting.
19. In the event that the Chairman of the Overview and Scrutiny Committee (or in their absence the Vice-Chairman) exercises his or her discretion to stop a speaker before their allotted time has concluded their decision is final.
20. The failure of any person to attend and exercise the right to speak will not by itself affect the right to speak of any other person.
21. Any Committee Member or Officer of the District Council may ask questions of any speaker after their allotted speaking time has elapsed but these should be confined to points of clarification or material consideration only.

22. While the Overview and Scrutiny Committee will consider the comments that have been made by public speakers in forming its recommendations it reserves the right to form its own conclusions as it sees appropriate.

HOW DO I REGISTER TO SPEAK?

23. Members of the public who wish to register to speak at meetings of the Council's Overview and Scrutiny Committee should apply in writing using the designated application form by 2.00 pm on the second working day before the meeting. Petition Scheme

Introduction

1. Dover District Council welcomes petitions as they are one of several ways in which residents can communicate their concerns and priorities to the Council. Our residents are at the heart of everything that we do as a Council, and we recognise that petitions are one way that individuals can participate in the democratic process, by raising issues of public concern with the Council and allowing Councillors to consider the case for change.

Application of Petition Scheme

2. This petition scheme supersedes all previous schemes adopted by Dover District Council ('the Council'). It will come into effect from the date of its adoption by the Council on 1 March 2023.

Scope of the Petition Scheme

3. The Council will, subject to the exclusions at paragraph 4, accept petitions that relate to a matter over which the Council has responsibility or any matter affecting the area or its inhabitants.
4. The Council will not accept Petitions that contain:
 - (a) Complaints about the conduct of councillors. The Localism Act 2011 created a statutory framework for considering [councillor complaints](#) and details of this can be found on the Council's website (dover.gov.uk).
 - (b) A complaint relating to a failure or degradation of service provision by the Council, except where the allegation is that there has been a systemic failure (partial or total) in the delivery of a Council function. Petitions relating to such matters where there is no allegation of systemic failure will be dealt with through the Council's Complaints Procedure which gives the option of appealing to the relevant Local Government Ombudsmen at the end of the process.
 - (c) Any matter relating to a planning decision (including about a development plan document or the community infrastructure levy).

Petitions in respect of planning applications can be accepted by the Council outside of the provisions of this Petition Scheme as comments on an application. A petition is counted as one representation for this purpose. For more information please see the section '[How to Comment on Applications](#)' on the Council's website.

- (d) Material which is commercially sensitive, confidential or which may cause personal distress or loss.
- (e) Any matter relating to court or legal proceedings.
- (f) Any matter relating to a licensing decision.
- (g) Any other matter relating to an individual or entity in respect of which that individual or entity has the right of recourse to a review or right of appeal conferred by or under any other enactment. This includes:
 - Statutory petitions (such as requesting a referendum on having an elected mayor); or
 - Matters where there is already an existing right of appeal (such as council tax banding and non-domestic rates or enforcement actions).

If a statutory petition fails to meet the requirements of the enactment in question it can be addressed through the Council's petition scheme in exactly the same manner as any other non-statutory petition.

- (h) Matters that are considered to be in the view of the Council to be potentially libellous, false, defamatory, vexatious, abusive or otherwise inappropriate. The Council will make a judgement on this when considering the circumstances of the individual case.

The type of petition that may be considered inappropriate includes those relating to matters which target individual members of a community or officers of the Council.

5. Additionally, Petitions relating to highways are a function of Kent County Council and outside the scope of the scheme. A separate arrangement for petitions relating to these matters in place and you will be advised what you need to do for the petition to be received and considered by the relevant body.
6. If a petition is deemed inadmissible, the petition organiser will be informed of the reasons for that decision.

Alternatives to a Petition

7. As a Council, Dover District Council tries to identify and solve problems at an early stage. The Council is committed to receiving feedback as this helps us to develop and review services. We recognise that there are a number of ways in which you can have your say including:
 - Contacting your local district councillor.
 - Asking a question on notice at a meeting of the full Council.
 - Making a complaint through the Council's corporate complaints system.

Who can raise a petition?

8. Anyone who is resident in the Dover District can raise a petition. For these purposes a person will be treated as being resident in Dover District if they have a home in the district. Who can sign a petition?

9. Anyone who is resident in the Dover District can sign a petition.

- The title and objective of the petition.
 - The name, address and contact details (telephone number and/or email address) of the 'Petition Organiser'.

12. As a general principle, we would expect petitions to start "We the undersigned..." or words to that effect.
13. For paper petitions, each page of signatures must be headed with this clear and concise statement to demonstrate that those that have signed the petition are supporting the submitted petition.
14. Petitions that do not follow these guidelines will not be accepted. In these cases, you will be informed in writing of the reasons why a petition cannot be accepted.

What happens if I feel the response to be inadequate?

24. The decision of the Cabinet, Council, Council Committee or Overview and Scrutiny Committee is final.

- 1.2 To help you understand the terminology used in the Financial Procedure Rules a Glossary of Terms is attached at Appendix A.
- 1.3 The contents are set out in alphabetical order for ease of reference.

Legislation

- 1.4 Section 151 of the Local Government Act 1972 requires every local authority "to make arrangement for the proper administration of their financial affairs and secure that one of their Officers has responsibility for the administration of those affairs" The Council has appointed the Strategic Director (Finance & Housing) as the Section 151 Officer. The Section 151 Officer has nominated the Head of Finance & Investment as his deputy.

 - Has made or is about to make a decision which involved or would involve the Authority incurring expenditure which is unlawful.

 - (ii) The expenditure of the Authority incurred (including expenditure it proposes to incur) in a financial year is likely to exceed the resources (including sums borrowed) available to meet that expenditure.
- 1.5 The Accounts and Audit Regulations 2015 reiterate the responsibilities of the 'Section 151 Officer' with regard to accounting records and maintenance of proper accounting practices. These regulations place the responsibility for the maintenance of an adequate and effective system of internal audit on the Authority as a whole.
- 1.6 Section 76 of the Local Government and Housing Act 1989 requires the Council to take corrective action if there is likely to be a deficit on the Housing Revenue Account.

Scope and Review

- 1.7 It is the responsibility of Heads of Service to ensure that all staff in their departments are aware of their responsibilities according to the Financial Procedure Rules and other regulatory documents (e.g. the Anti-Fraud and Corruption Policy, the Money Laundering Policy, Whistleblowing Policy) and comply with them.
- 1.8 Failure to follow the Financial Procedure Rules and Standing Orders will be reported to the Strategic Director (Finance & Housing) immediately and, if serious, to the Cabinet and may be treated as a disciplinary offence.
- 1.9 Financial Procedure Rules also apply to agents and consultants acting for the Council and services carried out under agency arrangements or partnerships, unless specifically exempted by the relevant Head of Service and the Strategic Director (Finance & Housing).
- 1.10 All Members and Officers have a general responsibility for taking reasonable action to provide for the security of assets under their control and ensuring that the use of these resources is legal, is properly authorised and provides value for money.
- 1.11 The Strategic Director (Finance & Housing) is responsible for maintaining a continuous review of these regulations and submitting any changes necessary to Full Council for approval.

Interpretation

- 1.12 On a day-to-day basis, queries should be directed to the Head of Finance & Investment and Housing.
- 1.13 All references to Heads of Service relate to the Chief Executive, Directors, and all other Heads of Service.

2. Accounting Records and Procedures

- 2.1 The Section 151 Officer is responsible for keeping the Council's accounts in accordance with statutory requirements.
- 2.2 Heads of Services shall consult the Strategic Director (Finance & Housing) before changing any accounting procedures, financial records or the implementation or development of computer systems that involve a financial operation or produce output that may influence the allocation of resources.
- 2.3 The following principles will apply in accounting procedures:
 - (iii) Calculating, checking and recording of sums due to or from the Council will be separated as completely as possible from their collection or payment.
 - (iv) Officers responsible for examining and checking cash transaction accounts will not process any of these transactions.
- 2.4 The Head of Finance & Investment is responsible for ensuring financial and management accounting information is available for all services administered by the Council through the budget monitoring system.
- 2.5 The Council's statutory accounts will be prepared in accordance with the Accounts and Audit Regulations 2015 and the current Code of Practice on Local Authority Accounting in the United Kingdom.

The Head of Audit Partnership has the right of access directly to the Section 151 Officer, the Chief Executive, the Monitoring Officer, the Director of Environment and Place, the Chair of the Governance Committee, and the Leader of the Council.
- 4.4 The scope for Internal Audit is the 'entire control environment'. This means that the scope for Internal Audit includes all the Council's own operations, resources, services and also its responsibilities in relation to other bodies. In order to turn this generic description into

actual subjects for audit, the Head of Audit Partnership uses a Risk Assessment Method which allows all high risk subjects to be identified. Although this process inevitably identifies the Council's fundamental financial systems as being 'high risk', other non-financial systems and functions are also identified as important areas for review by Internal Audit.

- 4.5 A four-year Strategic Plan will be prepared by the Head of Audit Partnership, which will be approved by the Governance Committee. A one-year Operational Plan will be prepared each year from the Strategic Plan. The Head of Audit Partnership will report the work performed against the Plan to the Governance Committee on a quarterly basis.

Contract Standing Orders

1. Introduction – Purpose of the Contract Standing Orders

1.1 Purchasing decisions and processes are important because the money involved is public money. The purpose of these Contract Standing Orders is to provide a structure within which procurement decisions are made and implemented (including the grant of service concessions) and which ensure that the Council:

1.1.1 Furthers its corporate objectives

1.1.2 Uses its resources efficiently

1.1.3 Purchases quality goods, services and works

1.1.4 Safeguards its reputation from any implication of dishonesty or corruption.

1.1.5 Improves the economic, social and environmental well being of the district

1.2 Procurement by the Council, from planning to delivery, shall incorporate (where appropriate) principles of sustainability, efficiency, whole life costings and cost savings.

1.3 These Contract Standing Orders are made in accordance with the requirements of Section 135 of the Local Government Act 1972.

1.4 These Contract Standing Orders do not provide guidelines on what is the best way to purchase works, supplies (goods) and services and grant service concessions. They set out minimum requirements to be followed. Further information and guidelines are set out in the Council's Procurement Guide and the guidance documents available on the Intranet.

2. General Principles – Application and Compliance with Contract Standing Orders

2.1 These Contract Standing Orders apply to the purchase by or on behalf of the Council of works, supplies (goods) and services and the granting of service concessions.

2.2 These Contract Standing Orders apply to all contracts including all purchase orders, service concessions and contractual arrangements entered into by or on behalf of the Council, except for the specific types of contracts and purchasing methods which are listed in 2.3.

2.3 These Contract Standing Orders do not apply to:

2.3.1 Employment contracts

2.3.2 Contracts relating solely to the purchase or sale of interests in land

- 2.3.3 Contracts for retention of legal counsel and the appointment of expert witnesses in legal proceedings
- 2.3.4. Service level agreements setting out the conditions which the Council applies to its funding of particular voluntary sector bodies.

3. **General Principles Applying to All Contracts**

- 3.1 All purchases however small shall be in writing.
- 3.2 All contracts of a value of £15,000 or more shall be made using either:
 - 3.2.1 the Councils *Standard Terms & Conditions of Contract* or
 - 3.2.2 a standard form of contract (e.g. New Engineering Contract (NEC), Joint Contracts Tribunal (JCT), etc) or
 - 3.2.3 the Suppliers Terms & Conditions

Advice and agreement must be sought from Legal Services prior to award.

- 3.3 As a minimum, all contracts of a value of £15,000 or more shall include clauses which set out:

- 3.4 Written contracts shall not include non-commercial terms unless these are necessary to achieve best value for the Council and necessary to enable or facilitate the Council's compliance with the public sector

equality duty⁴ imposed on it by the Equality Act 2010. In this context, "non commercial" means requirements unrelated to the actual performance of the contract.

- 3.5 All contracts shall include relevant specifications and/or briefs/technical requirements which are prepared taking into account the need for effectiveness of delivery, quality, sustainability and efficiency (as appropriate) and the information set out in the Council's Procurement Guide.

4. **Regulatory Context**

- 4.1 All purchasing shall be conducted in accordance with Regulatory Provisions which are:
 - 4.1.1 All relevant statutory provisions
 - 4.1.2 The Public Contract Regulations 2015 (PCR2015)
 - 4.1.3 The Council's Constitution including these Contract Standing Orders, the Council's Financial Procedure Rules and Scheme of Delegation
 - 4.1.4 The Council's Procurement Guide and other policies and procedures of the Council as appropriate.
- 4.2 In the event of conflict between the above, the Public Contract Regulations 2015 will take precedence, followed by the Council's Constitution, then the Council's Procurement Guide and guidelines, policies and procedures.

5. **Responsibilities of Directors, Heads of Service and Responsible Officers**

- 5.1 Each Director shall have overall responsibility for the purchasing undertaken by his/her Directorate.

 - 5.2.2 comply with the Council's decision making processes including, where appropriate, implementing and operating a Scheme of Delegation
 - 5.2.3 appoint a Responsible Officer in writing who shall be an authorised signatory
 - 5.2.4 take immediate action in the event of breach of these Contract Standing Orders which will include as a minimum promptly informing the Councils Monitoring Officer of such breach.

⁴ Section 149 Equality Act 2010

- 5.2.5 consider any procurement risk(s) as part of any overall risk assessment
- 5.3 A Responsible Officer is an officer with responsibility for conducting purchasing processes for the purchase of works, supplies (goods) or services on behalf of the Council.
- 5.4 A Responsible Officer's duties in respect of purchasing are to ensure:
 - 5.4.1 compliance with all Regulatory Provisions (see 4.1) and integrity of the tender process
 - 5.4.2 that all relevant officers are reminded of the statutory provisions and the Council's requirements relating to declarations of interest affecting any purchasing process in order for them to comply with these requirements
 - 5.4.3 that there is an appropriate analysis of the requirement, timescales, procedure and documentation to be used
 - 5.4.4 the purchasing process, from planning to delivery incorporates (where appropriate) principles of sustainability, efficiency, whole life costings and cost savings
 - 5.4.5 compliance with the Council's decision making processes, in particular in relation to Key Decisions
 - 5.4.6 that all quotations or tenders sought of a value of £15,000 or more are undertaken in partnership with the Procurement Manager to ensure a corporate approach and delivery of the works, supplies (goods) or services
 - 5.4.7 that all contracts of a value of £5,000 or more are included on the Councils Contract Register (This includes purchase orders that meet the £5,000 threshold).
 - 5.4.8 that proper records of all contract award procedures, waivers, exemptions and extensions are maintained, with separate files for each purchase of a value of £15,000 or more

 - 5.4.10 that adequate and appropriate security (such as a bond or guarantee) is taken to protect the Council in the event of non-performance.
- 5.5 In considering how best to procure works, supplies and services, Directors, Heads of Service and/or Responsible Officers (as appropriate in the context), shall consult with the Procurement Manager to take into account wider contractual delivery opportunities and purchasing methods including the use of Purchasing Schemes and e-procurement/purchasing methods, and the availability of local authority charging and trading powers under the Local Government Act 2003.

- 5.6 It is a disciplinary offence to fail to comply with these Contract Standing Orders and the Council's Procurement Guide. All employees have a duty to report breaches of Contract Standing Orders to the Monitoring Officer.
- 5.7 Any officer or Member who suspects any misconduct or corruption in relation to the purchase by or on behalf of the Council of works, supplies (goods) and services must immediately report that suspicion to the Council's Monitoring Officer.

6. Scheme of Delegation

- 6.1 Council procurement may only be undertaken by officers with the appropriate delegated authority to carry out such tasks as set out in the Council's Scheme of Delegation. Officers with delegated authority may only delegate to other officers who have the appropriate skills and knowledge for the task and such delegation shall be recorded in writing by the officer delegating the task and notified to the relevant Director/Head of Service.
- 6.2 Officers shall, where appropriate, be informed by their Director/Head of Service of the extent of any delegated authority and applicable financial thresholds.

7. Financial Thresholds and Procedures

- 7.1 The table below sets out the general rules applying to the choice of purchasing procedure for contracts at the stated threshold values.
- 7.2 There is a general presumption in favour of competition. Wherever possible contract opportunities should be advertised by way of a public notice. The Council should consider the potential effect of a contract on interstate trade (at a European level). If a contract may be of interest to contractors from EU member states then this may result in a need to advertise in a manner which ensures that potential contractors from EU member states are aware of the opportunity, even for small value contracts or contracts under the PCR2015 Threshold levels outlined below.
- 7.3 The public notice referred to at 7.2 may take the form of a notice or advertisement in an electronic or paper format, on an easily accessible website or other electronic media and/or in the press, trade journals, Contracts Finder or Find a Tender Service ("FTS") (as appropriate). The Responsible Officer may choose to place one or more public notices in different media.
- 7.4 In accordance with Part 4 of the Public Contracts Regulations 2015 and guidance issued by the Cabinet Office:
- 7.4.1 All contract opportunities with a value of £30,000 inclusive of VAT and above must be published on 'Contracts Finder' where the Council has advertised such opportunity in the form of a notice or advertisement as set out in 7.3 above.

7.4.2 All contract opportunities for which a Contract Notice was sent to FTS for publication must also be published on 'Contracts Finder'.

Table setting out financial thresholds and procedures

Total Value £	Type of contract	Procedure to be used
0 to £15,000	Works, Supplies and Services	At least one written quote in advance (there is a general presumption in favour of competition and as such Officers may seek additional quotations where possible)
£15,000 to £100,000	Works, Supplies and Services	At least three written quotes obtained by Procurement in advance using the Councils <i>Invitation to Quote</i> document
£100,000 to £177,898* **	Supplies and Services	At least three written tenders obtained by Procurement in advance, using the Councils <i>Invitation to Tender</i> document
£177,898* ** plus ** *PCR2015 Threshold for supplies and services ex VAT Note: £552,950 threshold applies for social and some specific services listed within the Public Contracts Regulations 2015	Supplies and Services	PCR2015 Rules apply – full competitive process following advertisement in the FTS for supplies and some services. For social and some specific services reduced requirements apply under the PCR2015 Rules but there is a presumption in favour of advertising and a competitive process*
£100,000 to £4,447,448**	Works	At least three written tenders obtained by Procurement in advance, using the Councils <i>Invitation to Tender</i> document
£4,447,448** plus **PCR2015 Threshold for works ex VAT	Works	PCR2015 Rules apply – full competitive process with tenders following FTS advertisement

* The PCR2015 Rules apply to service contracts to differing degrees depending on the service. Responsible Officers should act cautiously and seek advice when considering the procedure to be used and application of the PCR2015 Rules to services contracts

** or relevant threshold in force at the time under the PCR2015 Rules

Note: Whilst the new PCR2015 thresholds now include VAT (due to the UK's obligations under the WTO), thresholds above are shown excluding VAT for ease and alignment with the Councils sub thresholds

7.5 Where contracts are of a type and value which means that they are subject to the PCR2015 Rules then there are five main types of PCR2015 procedures available. These are the open, restricted, competitive dialogue, competitive procedure with negotiation and innovation partnership procedures. Care must be taken to ensure that the correct and most appropriate procedure is used and assistance on the choice and use of PCR2015 procedure should be sought from the Procurement Manager and Legal Services.

8. **Financial Thresholds and Processes Applying to Approval and Execution of Contracts**

8.1 For contracts over the relevant PCR2015 threshold (in force at the time), the choice of purchasing procedure to be used and the decision to proceed to advertisement must be authorised in writing by the relevant Director/Head of Service in advance acting in consultation with the Procurement Manager and/or Solicitor to the Council where appropriate.

8.2 When a decision is made to award a contract then the Responsible Officer must, in addition to complying with his/her general obligations under these Contract Standing Orders ensure, in particular, that:

8.2.1 the appropriate approvals have been obtained to authorise that decision; and

8.2.2 where appropriate, a standstill period complying with the PCR2015 Rules is incorporated into the final award process.

8.3 Any contracts valued at £100,000 or above shall be executed as a deed or be signed by at least two officers of the council with appropriate delegated authority or made under seal of the Council and attested by at least one officer. All other contracts may be signed by officers with appropriate delegated authority. £100,000 shall be the threshold for the purposes of Regulation 8 of the Local Authority (Executive Arrangements) (Modification of Enactments and Further Provisions) (England) Order 2001.

8.4 Electronic signatures may be used in accordance with the Electronic Signature Regulations 2002 provided the sufficiency of security arrangements has been approved by the Senior ICT Manager.

9. **Calculating the Contract Value**

9.1 The starting point for calculating the contract value for the purposes of these Contract Standing Orders is that the contract value shall be the genuine pre-estimate of the value of the entire contract excluding Value Added Tax. This includes all payments to be made, or potentially to be made, under the entirety of the contract and for the whole of the predicted contract period (including proposed extensions and options).

9.2 There shall be no artificial splitting of a contract to avoid the application of the provisions of the PCR2015 Rules and/or these Contract Standing Orders.

- 9.3 The PCR2015 Rules can cover contracts, which are below the stated PCR2015 threshold, where they constitute repeat purchases and/or purchases of a similar type in a specified period. Responsible Officers should therefore seek advice from the Procurement Manager on the application of the PCR2015 Rules where they envisage that they may require repeat purchases and/or purchases of a similar type.

10. Principles Underlying Tendering Processes and Tender Evaluation

- 10.1 All tendering procedures (including obtaining quotes), from planning to contract award and signature, shall be undertaken in a manner so as to ensure:
- 10.1.1 Sufficient time is given to plan and run the process
 - 10.1.2 Equal opportunity and equal treatment
 - 10.1.3 Openness and transparency
 - 10.1.4 Probity
 - 10.1.5 Outcomes which deliver sustainability, efficiency and cost savings (where appropriate).

11. Submission and Opening of Tenders

- 11.1 An Invitation to Tender shall be issued by the Council for all contracts over £100,000 via the Councils e-tendering system and tenders shall be submitted in accordance with the requirements of the Invitation to Tender Document.
- 11.2 Any tenders received shall be kept secure electronically and unopened until the time and date specified for the opening
- 11.3 No tender received after the time and date specified for its opening shall be accepted or considered by the Council unless agreed by the Monitoring Officer in exceptional circumstances.
- 11.4 Tenders shall be opened, certified and recorded electronically by an Officer appointed by the Monitoring Officer via the Councils e-tendering system.

12. Evaluation of Quotes and Tenders

- 12.1 All quotes and tenders shall be evaluated in accordance with evaluation criteria notified in advance to those submitting quotes/tenderers.
- 12.2 Tenders subject to the PCR2015 Rules shall be evaluated in accordance with the PCR2015 Rules.
- 12.3 Save in exceptional circumstances approved in advance by the Monitoring Officer all contracts shall be awarded on the basis of the quote or tender which represents best value for money to the Council and not on the basis of lowest price.

13. **Waivers**

- 13.1 The requirement for the Council to conduct a competitive purchasing process for contracts in excess of £15,000 may be waived in the following circumstances.
- 13.1.1 For contracts which are not subject to the PCR2015 Rules, the work, supply or service or grant of service concession is required as a matter of urgency and a delay would be likely to lead to financial loss, personal injury or damage to property; or
 - 13.1.2 the circumstances set out in the Public Contract Regulations 2015 Regulation 32 apply or

 - (i) other council tax payers, ratepayers or inhabitants of the electoral division or ward, as the case may be, affected by the decision; or
 - (ii) (in other cases) other council tax payers, ratepayers or inhabitants of the Authority's area; or
- (b) relates to the determination of your application (whether made by you alone or jointly or on your behalf) for any approval, consent, licence, permission or registration or that of an Associated Person;

and where, in either case, a member of the public with knowledge of the relevant facts would reasonably regard the interest as being so significant that it is likely to prejudice your judgment of the public interest.

"Register of Members' Interests" means the Authority's register of Disclosable Pecuniary Interests established and maintained by the Monitoring Officer under section 29 of the Localism Act 2011.

"Sensitive Interest" means information, the details of which, if disclosed, could lead to you or a person connected with you being subject to violence or intimidation.

- (2) You must, before the end of 28 days beginning with the day you become aware of any change of circumstances which means that information excluded under paragraph 6(1) is no longer a Sensitive Interest, notify the Monitoring Officer asking that the information be included in the Register of Members' Interests.
- (3) The rules relating to disclosure of Interests in paragraphs 5(2) and (3) will apply, save that you will not be required to disclose the nature of the Sensitive Interest, but merely the fact that you hold an interest in the matter under discussion.

7. (1) You must, before the end of 28 days beginning with the day of receipt/acceptance, notify the Monitoring Officer of any gift, benefit or hospitality with an estimated value of £100 or more, or a series of gifts, benefits and hospitality from the same or an associated source, with an estimated cumulative value of £100 or more, which are received and accepted by you (in any one calendar year) in the conduct of the business of the Authority, the business of the office to which you have been elected or appointed or when you are acting as representative of the Authority. You may participate in the discussion of the matter and in any vote

taken on the matter, unless you have an Other Significant Interest, in which case the procedure in paragraph 5 above will apply.

- (3) You must continue to disclose the existence and nature of the gift, benefit or hospitality at a relevant Meeting, for 3 years from the date you first registered the gift, benefit or hospitality.

(1) The [Standards] Committee, or any sub-committee of the [Standards] Committee, or the Monitoring Officer (where authorised) may, on a written request made to the Monitoring Officer (as appointed Proper Officer for the receipt of applications for dispensation) by a Member with an Interest, grant a dispensation relieving the Member from either or both of the restrictions on participating in discussions and in voting (referred to in paragraph 5 above).
- (2) A dispensation may be granted only if, after having had regard to all relevant circumstances, the [Standards] Committee, its sub-committee, or the Monitoring Officer (where authorised) considers that:
 - (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business; or
 - (b) without the dispensation, the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business; or
 - (c) granting the dispensation is in the interests of persons living in the Authority's area; or
 - (d) without the dispensation each member of the Authority's executive would be prohibited from participating in any particular business to be transacted by the Authority's executive; or
 - (e) it is otherwise appropriate to grant a dispensation.
- (3) A dispensation must specify the period for which it has effect, and the period specified may not exceed four years.
- (4) Paragraph 5 above does not apply in relation to anything done for the purpose of deciding whether to grant a dispensation under this paragraph 8.

THE SEVEN PRINCIPLES OF PUBLIC LIFE

In accordance with the Localism Act 2011, and in order to help maintain public confidence in this Authority, you are committed to behaving in a manner that is consistent with the following principles. However, it should be noted that these Principles do not create statutory obligations for Members and do not form part of the Code. It follows from this that the Authority cannot accept allegations that they have been breached.

SELFLESSNESS: You should act solely in terms of the public interest and never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate.

INTEGRITY: You should exercise independent judgment and not compromise your position by placing yourself under obligations to outside individuals or organisations who might seek to influence you in the performance of your official duties. You should behave in accordance with all legal obligations, alongside any requirements contained within this Authority's policies, protocols and procedures, including on the use of the Authority's resources. You should value your colleagues and staff and engage with them in an appropriate manner and one that underpins the mutual respect that is essential to good local government. You should treat people with respect, including the organisations and public you engage with and those you work alongside.

OBJECTIVITY: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, you should make choices on merit. You should deal with representations or enquiries from residents, members of the communities and visitors fairly, appropriately and impartially. You should champion the needs of the whole community and especially your constituents, including those who did not vote for you.

ACCOUNTABILITY: You are accountable to the public for your decisions and actions and should fully co-operate with whatever scrutiny is appropriate to your office.

OPENNESS: You should be as open and as transparent as possible about all the decisions and actions that you take to enable residents to understand the reasoning behind those decisions and to be informed when holding you and other Members to account. You should give reasons for your decisions and restrict information only when the wider public interest or the law clearly demands it. You should listen to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.

HONESTY: You have a duty to declare interests relating to your public duties and to take steps to resolve any conflicts arising in a way that protects the public interest. You should not allow other pressures, including the financial interests of yourself or others connected to you, to deter you from pursuing constituents' casework, the interests of the Authority's area or the good governance of the Authority in a proper manner.

LEADERSHIP: Through leadership and example you should promote and support high standards of conduct when serving in your public post. You should provide leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this Authority.

breach any of the Council's policies in another forum, it will also breach them in an online forum. For example, members must not use social media to:

- (a) breach the Council's ICT Policy;

Accordingly, in their use of social media members must respect these rights and not record or publish visual or audio recordings of members of the public and the staff of the council and contractors or publish comments about them unless to do so is both reasonable and legally justifiable in terms of their convention protections.

10. BREACH OF THIS POLICY

- 10.1 Although a breach or non-compliance with this policy would not of itself be a breach of the Code of Conduct for Members any breach of this policy may be relied upon as evidence that a member has failed to comply with a specific requirement of the Code of Conduct for Members, for example, that a member has bullied someone or intimidated them under paragraph 3(2)(a) of the Code of Conduct for Members.

DOVER DISTRICT COUNCIL

PARENTAL LEAVE POLICY FOR COUNCILLORS

Introduction

- 1.1 The Council at its meeting held on 20 July 2021 agreed a Motion to make provision for a Parental Leave Policy for Dover District Councillors. The intention of this policy is to encourage a broad range of candidates to stand for election, regardless of background, and particularly from groups that might be reluctant to do so – such as candidates who are younger, female or have family and/or caring responsibilities - and to ensure that councillors that are new or adoptive parents, as well as councillors with older children and other caring commitments are supported as appropriate.
- 1.2 This policy document sets out the process by which Members, of any gender, can seek a leave of absence which reflects not only the formal legislative permission required for absences of six months or more, but also the Council's own process to support new and adoptive parents seeking a period of parental leave of shorter duration.

Legislative Context

- 2.1 Section 85(1) of the Local Government Act 1972 makes provision for a meeting of the full Council to approve the non-attendance at meetings of the Council by a councillor for a period of six months or more, thereby avoiding the vacation of their office occurring once six consecutive months have elapsed during which they have not attended any meeting of the Council. The Council must approve this prior to the expiry of the six-month period.
- 2.2 All councillors receive a Basic Allowance in accordance with the provisions of The Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended). In accordance with regulation 4(1), the Basic Allowance shall be the same for each Member and, unless voluntarily surrendered by a Member, there is no provision for the Council to withhold or alter the Basic Allowance paid to a particular member.

Leave Period

- 3.1 A Member may request parental leave with effect from the notified start date for a period of up to 1 year.
- 3.2 A Member intending to take parental leave will be responsible for ensuring that they comply with the relevant notice requirements of the Council, both in terms of the point at which the leave starts and the point at which they return.
- 3.3 A Member taking parental leave should ensure that they respond to reasonable requests for information as promptly as possible, and that they keep officers and other councillors informed and updated in relation to intended dates of return and requests for extension of leave.

- 3.4 It is the responsibility of any Member taking parental leave to make arrangements for the cover of their ward work during their period of absence.

Procedure for Notification

- 4.1 Any Member wishing to take parental leave should notify the Head of Corporate Services and Democracy in writing of the date that the leave will start and the date that it will conclude and as to their preferences regarding any contacts from the Council during their period of absence.
- 4.2 For any absence of six months or more, it is the responsibility of the Member concerned to make a written request to the full Council, via the Head of Corporate Services and Democracy, that this absence be approved. Notification of this should be given as soon as the Member is aware that they will be absent for six months or more. If insufficient notice is given it may not be possible to organise a meeting of the full Council in time to consider the request for an absence of six months or more.
- 4.3 The Head of Corporate Services and Democracy shall ensure that the Council's website is updated to show when a member is taking a period of absence, alongside details of any arrangements they have made to allow for constituency work in their ward to be covered.

Basic Allowance

- 5.1 All Members shall continue to receive their Basic Allowance in full whilst on parental leave.

Special Responsibility Allowances

- 6.1 Members entitled to a Special Responsibility Allowance shall continue to receive their allowance in full in the case of parental leave but only for so long as they retain their position by virtue of which the Special Responsibility Allowance is payable.
- 6.2 Where a replacement is appointed by the Leader of the Council (for executive positions) or the full Council (for non-executive positions) to cover the period of absence that person shall receive the Special Responsibility Allowance on a pro-rata basis for the period of the temporary appointment and the entitlement of the original member to the Special Responsibility Allowance shall cease.
- 6.3 Should a Member appointed to replace the member on parental leave already hold a remunerated position, the ordinary rules relating to payment of more than one Special Responsibility Allowances shall apply.
- 6.4 Unless the Member taking parental leave is removed from their post at an Annual General Meeting of the Council, by the Leader of the Council, or by their Political Group whilst on leave, or unless the Party to which they belong loses control of the Council during their leave period, there is a presumption that they shall, at the end of their parental leave period, resume their duties.

Resigning from Office and Elections

- 7.1 If a Member decides not to return at the end of their parental leave, they should contact the Head of Corporate Services and Democracy for advice on how to proceed. The processes to be followed will be dependent upon whether the member is not wishing to return to a particular office or is wishing not to return as a councillor. In the case of the latter, the member would be advised to resign their office as a councillor in accordance with section 84 Local Government Act 1972.
- 7.2 If an election is held during the Member's parental leave period and they are not re-elected, or decide not to stand for re-election, their basic allowance and SRA if appropriate will cease from the Monday after the election date when they would technically leave office.

Officers' Code of Conduct

The Secretary of State may by order issue a code as regards the conduct which is expected of qualifying employees of relevant authorities in England (Section 82 Local Government Act 2000). A draft code has not yet been published for consultation in accordance with the Act. A copy of the officers' code of conduct will be included in the Constitution once it is published and adopted. It is already a condition of employment of all employees of the Council to adhere to the non-statutory code of conduct recommended by the Local Government Management Board.

Protocol for Relationships between Members and Officers

Preamble

1. Mutual trust and respect between members and officers is at the heart of a council's good governance. They are essential if the partnership necessary for the effective running of a local authority is to succeed.
2. This may seem obvious. But what happens when relationships go awry? Where can members and officers turn for guidance? What mechanisms exist for addressing concerns? How can matters be improved?
3. Such questions point to the need for a written guide to the basic elements of the relationship between members and officers – a protocol:
 - to promote trust, openness, fairness and honesty by establishing some ground rules;
 - to define roles so as:
 - to clarify responsibilities (ie who does what),
 - to avoid conflict, and
 - to prevent duplication or omission;
 - to secure compliance with the law, codes of conduct and a council's own practices; and
 - to lay down procedures for dealing with concerns by members or officers.
4. A protocol should be recognised both as a central element of a council's corporate governance, and as a commitment to upholding standards of conduct in public life. It is one way of demonstrating to the public at large that local government is serious about protecting and enhancing its integrity and reputation.

Definitions

5. Unless the context indicates otherwise, references to the term *Council* include the Executive, overview and scrutiny committees, and other committees and sub-committees.
6. For the purposes of this protocol, the term *Executive* refers to the Leader and Cabinet.
7. Unless the context indicates otherwise, the terms *member* and *members* include non-elected (ie co-opted) members as well as elected councillors.
8. *Officers* and *staff* mean all persons employed by the Council.
9. *Senior officer* means all chief officers (including statutory officers) and service heads and managers.
10. *Chief Finance Officer* means the officer exercising the duties prescribed by law for the financial administration of the Council.

Principles

11. Members and officers must at all times observe this protocol.

12. The protocol was approved by the Council's Standards Committee whose functions have subsequently been incorporated into the Governance Committee. The Governance Committee will monitor its operation.
13. The protocol seeks to maintain and enhance the integrity (real and perceived) of local government which demands the highest standards of personal conduct.
14. Members and officers must always respect the roles and duties of each other. They must show respect in all their dealings by observing reasonable standards of courtesy, and by not seeking to take unfair advantage by virtue of their position.
15. Whilst members and officers are indispensable to one another, their responsibilities are distinct. Members are accountable to the electorate and serve only as long as their term of office lasts. Officers are accountable to the Council as a whole. Their job is to give advice to members (individually and collectively) and to carry out the Council's work under the direction of the Council.
16. The Council has adopted codes of conduct for both members and officers. Both represent best practice. The members' code follows the national code which in turn is based on the general principles governing members' conduct enshrined in law, viz:
 - Selflessness – serving only the public interest.
 - Honesty and integrity – not allowing these to be questioned; not behaving improperly.
 - Objectivity – taking decisions on merit.
 - Accountability – to the public; being open to scrutiny.
 - Openness – giving reasons for decisions.
 - Personal judgement – reaching one's own conclusions and acting accordingly.
 - Respect for others – promoting equality; avoiding discrimination; respecting others (member/member, as well as member/officer).
 - Duty to uphold the law – not acting unlawfully.
 - Stewardship – ensuring the prudent use of a council's resources.
 - Leadership – acting in a way which has public confidence.
17. These principles underpin this protocol. They will also be reflected in a new national code of conduct for employees due in the near future and on which the Office of the Deputy Prime Minister began a three months' consultation period in August 2004.
18. Until such time as a new national code appears, officers are bound by the Council's own code of conduct for staff and, in some cases, by the codes of their professional associations.
19. Breaches of this protocol by a member may result in a complaint to the Standards for England if it appears the members' code has also been breached. Breaches by an officer may lead to disciplinary action.

The role of members

20. Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, members may wish to seek the advice of senior colleagues, the relevant senior officer(s), and/or the Monitoring Officer.

21. Collectively, members are the ultimate policy-makers determining the core values of the Council and approving the authority's policy framework, strategic plans and budget.
22. Members represent the community, act as community leaders and promote the social, economic and environmental well-being of the community often in partnership with other agencies.
23. Every elected-member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local bodies.
24. Some members have roles relating to their position as members of the Executive, overview and scrutiny committees or other committees and sub-committees of the Council.
25. Members of the Executive can have individual delegated powers. They may determine matters within their portfolios but implementation of their decisions is the responsibility of officers.
26. Members serving on overview and scrutiny and governance committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor local health service provision.
27. Members who serve on other committees and sub-committees collectively have delegated responsibilities, eg deciding quasi-judicial matters which by law are excluded from the remit of the Executive.
28. Some members may be appointed to represent the Council on local, regional or national bodies.
29. As politicians, members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as members they have a duty always to act in the public interest.
30. Members are not authorised to instruct officers other than:
 - through the formal decision-making process;
 - to request the provision of consumable resources provided by the Council for members' use; and
 - where staff have been specifically allocated to give support to a member or group of members.
31. Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.
32. Members must avoid taking actions which are unlawful, financially improper or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the Chief Finance Officer.
33. Members must respect the impartiality of officers and do nothing to compromise it, eg by insisting that an officer change his/her professional advice.

34. Members have a duty under their code of conduct:
- to promote equality by not discriminating unlawfully against any person, and
 - to treat others with respect.
35. Under the code, a member must not when acting as a member or in any other capacity:
- bring the Council or his/her position as a member into disrepute, or
 - use his/her position as a member improperly to gain an advantage or disadvantage for his/herself or any other person.

The role of officers

36. Officers are responsible for giving advice to members to enable them to fulfil their roles. In doing so, officers will take into account all available relevant factors.
37. Under the direction and control of the Council (including, as appropriate, the Executive, committees and sub-committees), officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.
38. Officers have a duty to implement decisions of the Council, the Executive, committees and sub-committees which are lawful, and which have been properly approved in accordance with the requirements of the law and the Council's constitution, and duly minuted.
39. Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.
40. Officers must assist and advise all parts of the Council. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
41. Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for members, the media or other sections of the public.
42. Officers have the right not to support members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on officers' involvement in political activities.

The relationship between members and officers: general

43. The conduct of members and officers should be such as to instil mutual confidence and trust.
44. The key elements are a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.
45. Informal and collaborative two-way contact between members and officers is encouraged. But personal familiarity can damage the relationship, as might a family or business connection.

46. Members and officers should inform the Chief Executive or the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles.
47. It is not enough to avoid actual impropriety. Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, a member should not sit on a body or participate in any decision which directly affects the officer on a personal basis.
48. Officers serve the Council as a whole. They have a duty to implement the properly authorised decisions of the Council.
49. With the exception of political assistants (if any), officers work to the instructions of their senior officers, not individual members. It follows that, whilst such officers will always seek to assist a member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, members should normally direct their requests and concerns to a senior officer, at least in the first instance.
50. Officers will do their best to give timely responses to members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities.
51. Members will endeavour to give timely responses to enquiries from officers.
52. An officer shall not discuss with a member personal matters concerning him/herself or another individual employee. This does not prevent an officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.
53. Members and officers should respect each other's free (ie non-Council) time.

The Council as employer

54. Officers are employed by the Council as a whole.
55. Members' roles are limited to:
 - the appointment of specified senior posts,
 - determining human resources policies and conditions of employment,
 - the appointment of any political assistants, and
 - hearing and determining appeals.
56. Members shall not act outside these roles.
57. If participating in the appointment of officers, members should:
 - remember that the sole criterion is merit (other than in the case of political assistants where political considerations may apply),
 - never canvass support for a particular candidate,
 - not take part where one of the candidates is a close friend or relative,
 - not be influenced by personal preferences, and

- not favour a candidate by giving him/her information not available to the other candidates.

58. A member should not sit on an appeal hearing if the appellant is a friend, a relative, or an officer with whom the member has had a working relationship.

Chairman and officers

59. Officers will respect the position of Chairman and provide appropriate support.

Executive members and officers

60. Executive members will take decisions in accordance with the constitution and will not otherwise direct staff. Senior officers will be responsible for instructing staff to implement the Executive's decisions.

61. In addition to individual members of the Executive, senior officers (including the Monitoring Officer and the Chief Finance Officer) have the right to submit papers to the Executive as a whole or to individual Executive members for consideration.

62. Senior officers and Executive members shall agree mutually convenient methods of regular contact. Before taking any formal decisions, the Executive will seek appropriate professional advice including, without exception, the Monitoring Officer and Chief Finance Officer, and will not direct officers in the framing of recommendations.

63. Before any formal decisions with a financial implication are taken by the Executive, the Chief Finance Officer and the senior officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:

- are aware of the proposed decision,
- have the opportunity to offer advice, and
- are subsequently able properly to authorise the financial transactions needed to implement decisions.

64. An individual Executive member who is minded to write or commission a report or to make a decision about a matter within his/her portfolio must ensure that those other members and officers who need to know of the matter are so informed. There is a particular requirement to involve other Executive members on cross-cutting issues.

65. Executive members when making decisions (whether collectively or individually) must state the reasons for those decisions. The written record of the decisions must include the reasons.

66. Officers taking decisions under their delegated powers must consider the advisability of informing the relevant Executive member(s) of their intentions in advance when the matter to which the decisions relates is likely to be sensitive or contentious, or has wider policy implications.

Overview and scrutiny members and officers

67. Chairmen and other leading overview and scrutiny members shall maintain regular contact with the officer(s) providing the principal support to the overview and scrutiny function. In consultation with chairmen, it shall be the responsibility of the latter to

ensure that those who need to know of matters being considered or for possible future consideration are so informed.

68. An overview and scrutiny committee or its chairman acting on its behalf may require officers to attend overview and scrutiny meetings. Members should not normally expect junior officers to give evidence. All requests should be made to senior officers in the first instance.
69. When making requests for officer attendance, overview and scrutiny members shall have regard to the workload of officers.
70. It is recognised that officers required to appear before an overview and scrutiny committee may often be those who have advised the Executive or another part of the Council on the matter under investigation. In these circumstances, an officer may have a conflict of interest. Both members and officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought elsewhere – from the Council's dedicated overview and scrutiny support unit or externally.
71. Subject to 70 above, officers should be prepared to justify advice given to the Council, the Executive, or other committees and sub-committees even when the advice was not accepted.
72. Officers must also be prepared to justify decisions they have taken under delegated powers.
73. In giving evidence, officers must not be asked to give political views.
74. Officers should respect members in the way they respond to members' questions.
75. Members should not question officers in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature.
76. Overview and scrutiny proceedings must not be used to question the capability or competence of officers. Chairmen and members need to make a distinction between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not an overview and scrutiny function.
77. In exercising the right to call-in a decision of the Executive, overview and scrutiny members must seek officer advice if they consider the decision is contrary to the Council's approved plans, policies or frameworks, or is unlawful.

Members of other committees or sub-committees and officers

78. The appropriate senior officers will offer to arrange regular informal meetings with chairmen, vice-chairmen, and spokesmen of committees and sub-committees.
79. Senior officers (including the Monitoring Officer and the Chief Finance Officer) have the right to present reports and give advice to committees and sub-committees.
80. Members of a committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct officers to act.
81. At some committee or sub-committee meetings, a resolution may be passed which authorises a named officer to take action between meetings in consultation with the chairman. In these circumstances it is the officer, not the chairman, who takes the

action and is responsible for it. A chairman has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

Party groups and officers

82. Senior officers may properly be asked to contribute to deliberations of matters concerning Council business by party groups.
83. Officers have the right to refuse such requests, and will normally not attend a meeting of a party group where some of those attending are not members of the Council.
84. Officer support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed.
85. Party group meetings are not empowered to make decisions on behalf of the Council, and conclusions reached at such meetings do not rank as formal decisions. The presence of an officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so.
86. Where officers provide factual information and advice to a party group in relation to a matter of Council business, this is not a substitute for providing all the necessary information and advice when the matter in question is formally considered by the relevant part of the Council.
87. It must not be assumed that an officer is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting.
88. Officers will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, will not relay the content of such discussions to another party group or to any other members. This shall not prevent an officer providing feedback to other senior officers on a need-to-know basis.
89. In their dealings with party groups, officers must treat each group in a fair and even-handed manner.
90. Members must not do anything which compromises or is likely to compromise officers' impartiality.
91. The duration of an officer's attendance at a party group meeting will be at the discretion of the group, but an officer may leave at any time if he/she feels it is no longer appropriate to be there.
92. An officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each.
93. An officer who is not a senior officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf.
94. An officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting.

95. No member will refer in public or at meetings of the Council to advice or information given by officers to a party group meeting.
96. At party group meetings where some of those present are not members of the Council, care must be taken not to divulge confidential information relating to Council business. Persons who are not members are not bound by Dover District Council's Code of Conduct for Members. They do not have the same rights to Council information as members.
97. Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Chief Executive or Monitoring Officer and the relevant party group leader.

Local members and officers

98. To enable them to carry out their ward role effectively, members need to be fully informed about matters affecting their ward. Senior officers must ensure that all relevant staff are aware of the requirement to keep local members informed, thus allowing members to contribute to the decision making process and develop their representative role.
99. This requirement is particularly important:
 - during the formative stages of policy development, where practicable,
 - in relation to significant or sensitive operational matters,
 - whenever any form of public consultation exercise is undertaken, and
 - during an overview and scrutiny investigation.
100. Generally, officers should copy ward members into communications with Town and Parish Councils so that ward members receive this information in a timely fashion and have the opportunity to talk to the originating officer if they so wish to ensure that they are appropriately briefed.
101. Issues may affect a single ward. Where they have a wider impact, a number of local members will need to be kept informed.
102. Whenever a public meeting is organised by the Council to consider a local issue, all the members representing the wards affected should be invited to attend the meeting as a matter of course.
103. If a local member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant officer. Provided the meeting has not been arranged on a party political basis:
 - an officer may attend but is not obliged to do so, and
 - the meeting may be held in Council-owned premises.
104. Care must be taken in arranging such public meetings in the immediate run-up to Council elections. Regard should always be had to any guidance issued by the Monitoring Officer from time to time.
105. Whilst support for members' ward work is legitimate, care should be taken if staff are asked to accompany members to ward surgeries. In such circumstances:

- the surgeries must be open to the general public, and
 - officers should not be requested to accompany members to surgeries held in the offices or premises of political parties.
106. Officers must never be asked to attend ward or constituency political party meetings.
107. It is acknowledged that some Council staff (eg those providing dedicated support to Executive members) may receive and handle messages for members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party political purposes.
108. In seeking to deal with constituents' queries or concerns, members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by members in the requested timescale, and may need to seek instructions from their managers.

Members' access to documents and information

109. This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's constitution.
110. Members may request senior officers to provide them with such information, explanation and advice as they may reasonably need to assist them to discharge their roles as members. This may range from general information about some aspect of the Council's services to specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
- it is in the public domain, and
 - it is not barred by the Data Protection Act from being given.
111. Every member of the Executive, an overview and scrutiny committee, and/or any other committee or sub-committee has a right to inspect documents about the business of that overview and scrutiny committee, other committee or sub-committee or the Executive.
112. A member who is not a member of a specific overview and scrutiny committee, other committee or sub-committee, or the Executive may have access to any document of that specific part of the Council provided:
- he/she can demonstrate a reasonable need to see the documents in order to carry out his/her roles as a member (the "need to know" principle), and
 - the documents do not contain "confidential" or "exempt" information as defined by the law.
113. Disputes as to the validity of a member's request to see a document on a need to know basis will be determined by the Monitoring Officer. Officers should seek his/her advice if in any doubt about the reasonableness of a member's request.
114. A member should obtain advice from the Monitoring Officer in circumstances where he/she wishes to have access to documents or information:

- where to do so is likely to be in breach of the Data Protection Act, or
 - where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the members' code of conduct.
115. Information given to a member must only be used for the purpose for which it was requested.
116. It is an accepted convention that a member of one party group will not have a need to know and therefore a right to inspect a document which forms part of the internal workings of another party group.
117. Members and officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so.
118. When requested to do so, officers will keep confidential from other members advice requested by a member.
119. Members and officers must not prevent another person from gaining access to information to which that person is entitled by law.

Media relations

120. All formal relations with the media must be conducted in accordance with the Council's Media Policy and the law on local authority publicity.
121. Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They cannot be used to promote a party group.
122. Officers will keep relevant members informed of media interest in the Council's activities, especially regarding strategic or contentious matters.
123. Before responding to enquiries from the media, officers shall ensure they are authorised to do so.
124. Likewise, officers will inform the Council's Press Office of issues likely to be of media interest, since that unit is often the media's first point of contact.
125. If a member is contacted by, or contacts, the media on an issue, he/she should:
- indicate in what capacity he/she is speaking (eg as ward member, in a personal capacity, as an Executive member, on behalf of the Council, or on behalf of a party group);
 - be sure of what he/she wants to say or not to say;
 - if necessary, and always when he/she would like a press release to be issued, seek assistance from the Council's Press Office and/or relevant senior officer, except in relation to a statement which is party political in nature;
 - consider the likely consequences for the Council of his/her statement (eg commitment to a particular course of action, image, allegations of jumping to conclusions);
 - never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter;
 - consider whether to consult other relevant members; and

- take particular care in what he/she says in the run-up to local or national elections to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or political party activist.

Correspondence

126. Correspondence between an individual member and an officer should not be copied to another member unless the author expressly intends and states that this is the case or consents. Where correspondence is copied, this should always be made explicit, ie there should be no "blind" copies.
127. Official letters written on behalf of the Council should normally be in the name of the relevant officer. It may be appropriate in some circumstances (eg representations to a Government Minister) for letters to appear in the name of an Executive member or the chairman of an overview and scrutiny committee.
128. The Chairman may initiate correspondence in his/her own name.
129. Letters which create legally enforceable obligations or which give instructions on behalf of the Council should never be sent in the name of a member.
130. When writing in an individual capacity as a ward member, a member must make clear that fact.

Access to premises

131. Officers have the right to enter Council land and premises to carry out their work. Some officers have the legal power to enter property in the ownership of others.
132. Members have a right of access to Council land and premises to fulfil their duties.
133. When making visits as individual members, members should:
 - whenever practicable, notify and make advance arrangements with the appropriate manager or officer in charge;
 - comply with health and safety, security and other workplace rules;
 - not interfere with the services or activities being provided at the time of the visit;
 - if outside his/her own ward, notify the ward member(s) beforehand; and
 - take special care at schools and establishments serving vulnerable sections of society to avoid giving any impression of improper or inappropriate behaviour.

Use of Council resources

134. The Council provides all members with services such as typing, printing and photocopying, and goods such as stationery and computer equipment, to assist them in discharging their roles as members of the Council. These goods and services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.
135. Members should ensure they understand and comply with the Council's own rules about the use of such resources, particularly:
 - where facilities are provided in members' homes at the Council's expense;

- in relation to any locally-agreed arrangements eg payment for private photocopying; and
 - regarding ICT security.
136. Members should not put pressure on staff to provide resources or support which officers are not permitted to give. Examples are:
- business which is solely to do with a political party;
 - work in connection with a ward or constituency party political meeting;
 - electioneering;
 - work associated with an event attended by a member in a capacity other than as a member of the Council;
 - private personal correspondence;
 - work in connection with another body or organisation where a member's involvement is other than as a member of the Council; and
 - support to a member in his/her capacity as a councillor of another local authority.

Interpretation, complaints and allegations of breaches

137. This part of the protocol should be read in conjunction with any "whistleblowing" policy the Council may have.
138. Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.
139. A member who is unhappy about the actions taken by, or conduct of, an officer should:
- avoid personal attacks on, or abuse of, the officer at all times,
 - ensure that any criticism is well founded and constructive,
 - never make a criticism in public, and
 - take up the concern with the officer privately.
140. If direct discussion with the officer is inappropriate (eg because of the seriousness of the concern) or fails to resolve the matter, the member should raise the issue with the officer's manager or the relevant senior officer.
141. A serious breach of this protocol by an officer may lead to an investigation under the Council's disciplinary procedure.
142. An officer who believes a member may have acted other than in accordance with this protocol should raise his/her concern with the Monitoring Officer. He/she will consider how the complaint or allegation should be dealt with. At a minor level, this may be no more than informally referring the matter to the Leader of the relevant party group. More serious complaints may involve alleged breaches of Dover District Council's Kent Code of Conduct for Members.

Members' Planning Code of Good Practice

Foreword

Purpose and Status

This planning Code of Good Practice has been adopted by the Council as a public guide to the conduct of all the District's Councillors and as a guide to some procedures of the Planning Committee. It has been approved by the Council's Governance Committee and it was adopted by the Council on 22 October 2008. The Monitoring Officer has been given delegated authority to make minor changes to the Members' Planning Code of Good Practice following its adoption by Council.

This Planning Code of Good Practice comprises:

- This Foreword
- The Dover District Council Members' Planning Code of Good Practice
- Appendix A: Representations and Submissions of Information to the Planning Committee
- Appendix B: Protocol for Public Speaking at Planning Committee
- Appendix C: Guidelines for Committee Deferral for a Site Visit
- Appendix D: Site Visit Procedure
- Appendix E: Positive Engagement – A Guide for Planning Councillors

This Planning Code of Good Practice will be made available to the public free of charge and will continue to be kept under regular review.

This Planning Code of Good Practice provides a measure against which the Council's operation of the planning system is to be judged. Adherence to this Code should reduce cause for complaint by the public. However, when complaints are made they will be assessed for a breach of the Codes of Conduct and a breach of this Planning Code of Good Practice. Complaints that involve an alleged breach of the Members' Code of Conduct will be referred to the Governance Committee. Similarly, The Council's Governance Committee will deal with complaints that involve only an alleged breach of this Planning Code of Good Practice. Failure to abide by the Planning Code of Good Practice is likely to result in a complaint being upheld. Similarly, breaches of the Protocol may provide grounds for a finding of maladministration by the Ombudsmen.

The Human Rights Act

The Human Rights Act 1998, and in particular Article 6, is concerned with guaranteeing procedural fairness in the determination of civil rights and obligations, especially the entitlement to a fair and public hearing within a reasonable time by an independent and impartial tribunal. These principles are at the heart of the planning system. Full regard has been paid to the Human Rights Act 1998 in drawing up this Members' Planning Code of Good Practice and adherence to this Planning Code of Good Practice should help to ensure that these principles are translated into the day-to-day operation of the system and that there are no breaches of the Act.

Should any Councillors, members of staff, or of the public, have any queries about the operation of the Members' Planning Code of Good Practice they should contact the Head of Regeneration and Development, or the Monitoring Officer.

MEMBERS' PLANNING CODE

Background

*This Code is **substantially** as per the 2013 model issued by Lawyers in Local Government (LLG) but amended to reflect local circumstances.*

The Members' Planning Code of Good Practice was originally prepared in response to a series of successful court challenges concerning themselves with local planning authorities and the Members' conduct or conflicts of interests. It replaced what was a number of individual and sometimes haphazard approaches in individual councils at the time.

The drafting of the model code was subject to consultation and comment from a number of local authorities through the machinery of the Association of Council Secretaries and Solicitors (now LLG), the Local Government Association, the Local Government Ombudsman, Audit Commission and from firms of solicitors or counsel acting on their behalf.

This 2013 update takes into account the update to the the Seven Principles of Public Life (the 'Nolan principles') and commentary from the Committee on standards in public life, the changes in the approach to codes of conduct and also to predetermination introduced by the Localism Act 2011 and the guide on 'Openness and transparency on personal interests' published by the Department for Communities and Local Government 2013.

Introduction

The aim of this Code: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

One of the key purposes of the planning system is to regulate the development and use of land in the public interest. **Your role as a Member of the Planning Authority is** to make planning decisions openly, impartially, with sound judgement and for justifiable reasons. You are also a democratically accountable decision-taker who had been elected to provide and pursue policies. You are entitled to be predisposed to make planning decisions in accordance with your political views and policies **provided** that you have considered all material considerations and have given fair consideration to relevant points raised.

When the Code applies: this code applies to Members at all times when involving themselves in the planning process. (This includes when taking part in the decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of his staff, and preferably well before any meeting takes place.

1. Relationship to the Members' Code of Conduct

- **Do** apply the rules in the Members' Code of Conduct first, which must always be complied with. This is both the rules on interest, Disclosable Pecuniary Interests (DPIs) and any other interests identified by your Authority, and the general rules giving effect to the seven principles of public life: selflessness, integrity, objectivity, accountability, openness, honesty and leadership.
- **Do** then apply the rules in this Members' Planning Code, which seek to explain and supplement the Members' Code of Conduct and the law on decision making for the purposes of planning control. If you do not abide by this Members' Planning Code, you may put:
 - the Council at risk of proceedings on the legality of the related decision or maladministration; and
 - yourself at risk of being named in a report made to the Council or, if the failure is also likely to be a breach of the interest provisions of Localism Act 2011, a complaint being made to the police to consider criminal proceedings.

2. Development Proposals and Personal Interests

- **Do** disclose the existence and nature of your interest as required by your Authority's Member Code of Conduct.
- **Do take into account when approaching a decision** that the Principle of Integrity is defined in terms that:

*"Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. **They must declare and resolve any interests and relationships**".*

It is therefore advisable that you:

- **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a councillor. This would include, where you have a disclosable or other personal conflict of interest in a proposal, using your position to discuss that proposal with officers or Members when other members of the public would not have the same opportunity to do so.
- **Do** note that you are not prevented from seeking to explain and justify a proposal in which you may have a conflict of interest to an appropriate officer, in person or in writing, but that your role as a councillor may place additional limitations on you in representing the proposal in which you have a personal interest.

- **Do** notify the Monitoring Officer in writing where it is clear to you that you have a disclosable pecuniary interest or other personal conflict of interest and note that:
 - you should send the notification no later than submission of that application where you can;
 - the proposal will always be reported to the Committee as a main item and not dealt with by officers under delegated powers;
 - you must not get involved in the processing of the application; and
 - it is advisable that you employ an agent to act on your behalf in respect of the proposal when dealing with officers and in public speaking at Committee.

3. **Fettering Discretion in the Planning Process**

(natural justice, predisposition and predetermination)

- **Don't** fetter your discretion by approaching the decision with a closed mind.
- **Do** be aware that in your role as an elected Member you are entitled, and are often expected, to have expressed views on planning issues and that these comments have an added measure of protection under the Localism Act 2011.
- **Do** keep at the front of your mind that, when you come to make the decision, you
 - are entitled to have and to have expressed your own views on the matter, provided you are prepared to reconsider your position in the light of all the evidence and arguments;
 - must keep an open mind and hear all of the evidence before you, both the officers' presentation of the facts and their advice as well as the arguments from all sides;
 - are not required to cast aside views on planning policy you held when seeking election or otherwise acting as a Member, in giving fair consideration to points raised;
 - are only entitled to take account a material consideration and must disregard considerations irrelevant to the question and legal context at hand; and
 - are to come to a decision after giving what you feel is the right weight to those material considerations.
- **Do** be aware that you can be biased where the Council is the landowner, developer or applicant if you have acted as, or could be perceived as being, a chief advocate for the proposal. (This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating the proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits.)
- **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (where you are also a member of the parish council, for example, or both a district/borough and county councillor), provided:
 - the proposal does not substantially affect the wellbeing or financial standing of the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;

- you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish, as and when it comes before the Committee and you hear all of the relevant information; and
- you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee.
- **Do** explain that you do not intend to speak and vote as a member of the Committee because you will be perceived as having judged (or you reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes. (*Use the disclosure form provided for disclosing interests.*)
- **Do** take the opportunity to exercise your separate speaking rights as a Ward/Local Member (**where this is granted by the authority's standing orders or by the consent from the Chair and Committee**) where you have represented your views or those of local electors and fettered your discretion, but do not have a disclosable or other personal conflict of interest. Where you do:
 - advise the proper officer or Chair that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the seating area for members of the Committee for the duration of that item; and
 - ensure that your actions are recorded.

4. Contact with Applicants, Developers and Objectors

- **Do** refer those who approach you for planning, procedural or technical advice to officers.
- **Don't** agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should seek to arrange that meeting yourself through a request to the Head of Regeneration and Development to organise it. The officer(s) will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action, that the meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Committee.
- **Do** otherwise:
 - follow the Authority's rules on lobbying;
 - consider whether or not it would be prudent in the circumstances to make notes when contacted; and
 - report to the Head of Regeneration and Development any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file.

In addition in respect of presentations by applicants/developers:

- **Don't** attend a planning presentation without requesting an officer to be present.
- **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.

- **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application, this will be carried out by the appropriate Committee of the planning authority.
- **Do** be aware that a presentation is a form of lobbying and, whilst you may express any view on the merits or otherwise of the proposal presented, you should never state how you or other Members would intend to vote at a committee.

5. Lobbying of Councillors

- **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it may subsequently prejudice your impartiality, and therefore your ability to participate in the Committee's decision making, to make any sort of promise to vote one way or another or such a firm point of view that it amounts to the same thing.
- **Do** remember that your overriding duty is to the whole community not just to the people in your ward and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.
- **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible, including its addition to your register of interests where relevant.
- **Do** copy or pass on any lobbying correspondence you receive to the Head of Regeneration and Development at the earliest opportunity.
- **Do** promptly refer to the Head of Regeneration and Development any offers made to you of planning gain or constraint of development, through a proposed s.106 Planning Obligation or otherwise.
- **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality).
- **Do** note that, unless you have a disclosable or overriding other personal conflict of interest, you will not have fettered your discretion or breached this Planning Code through:
 - listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Members or appropriate officers (making clear that you must keep an open mind when it comes to making the decision);
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion of others in your role as a Ward Member.

6. Lobbying by Councillors

- **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby to promote or oppose planning proposals unless it is your intention to openly campaign on the matter and will therefore step away from the Committee when it comes to make its decision.
- **Do** join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals (such as the Victorian Society, CPRE, Ramblers Association or a local civic society), but you

should normally seek to disclose that interest on the grounds of transparency where the organisation has made representations on a particular proposal.

- **Don't** excessively lobby fellow councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken
- **Don't** decide or discuss how to vote on any application at any political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

7. Site Visits/Inspections

- **Do** try to attend site visits organised by the Council where possible.
- **Don't** request a site visit unless you feel it is strictly necessary because:
 - particular site factors are significant in terms of the weight attached to them relative to other factors or the difficulty of their assessment in the absence of a site inspection; or
 - there are significant policy or precedent implications and specific site factors need to be carefully addressed.
- **Do** ensure that you report back to the Committee any information gained from the site visit that you feel would benefit all Members of the Committee
- **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.
- **Do** ask the officers at the site visit questions or seek clarification from them on matters which are relevant to the site inspection.
- **Don't** hear representations from any other party otherwise in accordance with the Site Visit Procedure (Appendix D). Where you are approached by the applicant or a third party, advise them that they should make representations in writing to the authority and direct them to or inform the officer present.
- **Don't** express opinions or views.
- **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
 - you feel it is essential for you to visit the site other than through attending the official site visit,
 - you have first discussed with the Head of Regeneration and Development your intention to do so and why (which will be recorded on the file) and
 - you can ensure you will comply with these good practice rules on site visits.

8. Public Speaking at Meetings

- **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking or through the Chairman, as this may give the appearance of bias.
- **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9. Officers

- **Don't** put pressure on officers to put forward a particular recommendation. (This does not prevent you from asking questions or submitting views to the Head of Regeneration and Development, which may be incorporated into any committee report).
- **Do** recognise that officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with a Head of Service or those officers who are authorised by their Head of Service to deal with the proposal at a Member level.
- **Do** recognise and respect that officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, planning officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

10. Decision Making

- **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through officer delegation, that your planning reasons are recorded and repeated in the report to the Committee.
- **Do** come to meetings with an open mind and demonstrate that you are open-minded.
- **Do** comply with section 38 of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise.
- **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you, request that further information. If necessary, defer or refuse.
- **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present to hear the entire debate, including the officers' introduction to the matter.
- **Do** have recorded the reasons for Committee's decision to defer any proposal.
- **Do** make sure that if you are proposing, seconding or supporting a decision contrary to officer recommendations or the development plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11. Training

- The Council's Constitution does not allow you to participate in decision making at meetings dealing with planning matters if you have not attended the mandatory planning training prescribed by the Council.
- **Do** endeavour to attend any other specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum

referred to above and thus assist you in carrying out your role properly and effectively.

- **Do** participate in any review of a sample of planning decisions to ensure that Members' judgements have been based on proper planning considerations.

Representations and Submissions of Information to the Planning Committee

1. This Appendix only relates to applications for planning and related approvals.
2. Letters from third parties, which are received otherwise than as a response to formal public consultation, will be taken into account but will not be considered as public representations for the purposes of the Committee report or determining whether the decision may be made under the scheme of delegation.
3. Only those points which are material planning considerations will be reported to Committee and taken into account in decision making.
4. Only representations which are material planning considerations will be taken into account in the operation of the scheme of delegation of powers to the Head of Regeneration and Development,
5. Applications to regularise development received as a result of a complaint, will be determined in accordance with the scheme of delegation.
6. Plans and correspondence received within 48 hours of the scheduled start of a meeting of the Planning Committee will not be considered at that meeting unless, in the opinion of the Head of Regeneration and Development, It would be expedient to do so, for example, because the representation raises a new material consideration.
7. Representations received subsequent to a Committee resolution on an application but prior to the despatch of the decision will be dealt with in the following way:
 - (a) no action will be taken if the Head of Regeneration and Development, is satisfied that they do not raise any material issues additional to those already considered; and
 - (b) if the Head of Regeneration and Development, is satisfied that they do raise new material issues, the application will be reported back to the next available meeting of the Committee.

Protocol for Public Speaking at Planning Committee

1. The scheme for public speaking at Planning Committee only concerns matters relating to the determination of individual applications for planning permission contained in the Planning Committee agenda and not to other matters including Tree Preservation Orders or Enforcement matters.
2. The scheme for public speaking will apply at each meeting where an individual application for planning permission is considered by the Planning Committee.
3. Any person wishing to speak at the Planning Committee should submit a written request using a form provided by the Council and indicating whether the speaker is in favour of, or opposed to, the planning application.
3. The period of notice shall be not later than two working days prior to the meeting of the Planning Committee.
4. Speaking opportunities shall be allocated on a first come, first served basis but with the applicant being given first chance of supporting the scheme. Applicants or agents will be notified of requests to speak. Third Parties who have applied to speak will be notified of other requests only when these directly affect their application to speak. The identified speaker may defer to another at the discretion of the Chairman of the Committee.
5. One person shall be allowed to speak in favour of, and one person shall be allowed to speak against, each application. The maximum time limit will be three minutes per speaker. This does not affect a person's right to speak at a site visit if the Committee decides one should be held.
6. The procedure to be followed when members of the public address the Committee shall be as follows:
 - (a) Chairman introduces item
 - (b) Planning Officer updates as appropriate
 - (c) Chairman invites members of the public and Ward Councillor(s) to speak, with the applicant or supporter last
 - (d) Planning officer clarifies as appropriate
 - (e) Committee debates the application
 - (f) The vote is taken
7. In addition to the arrangements outlined in 5 above, District Councillors, who are not Members of the Committee may be permitted to address the Planning Committee for three minutes in relation to planning applications in their Ward. This is subject to giving formal written notice of not less than two working days and of advising whether they are for, or against, the proposals. In the interests of balance, a further three minutes' representation on the contrary point of view will be allowed from the identified speaker,

or an additional speaker. If other District Councillors wish to speak, having given similar notice and with the agreement of the Chairman, this opportunity will be further extended as appropriate.

8. Agenda items will be taken in the order listed.
9. The Chairman may, in exceptional circumstances, alter or amend this procedure as he or she considers necessary.

Guidelines for Committee Deferral for a Site Visit

1. All requests for site visits will be considered on their merits having regard to the likely usefulness to the Committee in reaching a decision.
2. The following criteria will be used to determine usefulness;
 - (a) the matter can only be safely determined after information has been acquired directly from inspecting the site;
 - (b) there is a need to further involve the public in the decision making process as a result of substantial local interest, based on material planning considerations, in the proposals; and
 - (c) the comments of the applicant or an objector cannot be adequately expressed in writing because of age, infirmity or illiteracy.
3. The reasons for holding a Committee site visit must be recorded in the minutes.
4. The Committee will appoint a Site Visit Panel and a Chairman, also to be recorded in the minutes.
5. The purpose of the Panel is to gather information and opinion, and report its findings to the Committee.

Site Visit Procedure

1. The Committee will invite the Applicant and/or his representatives, those who made representations for or against the proposal, Ward Councillors, and Town/Parish Council representatives to attend.
2. Parish/Town Councils will be sent a copy of a notice with a request that it be displayed on their noticeboards to give other interested parties the opportunity to attend.
3. The Chairman (appointed by the Committee) will introduce Members and Officers of the Council, outline the procedures, and invite the Applicants, Parish Councils and interested parties to introduce themselves.
4. The Planning Officer will explain the planning policies and material considerations relating to the application and the reason for the site visit followed, if appropriate, by comments from any other relevant Council Officer.
5. The Parish/Town Council representatives will then be invited to state their Council's views.
6. Those making representations will be invited to state their grounds of objection/support. Each person will be given the opportunity to speak once and asked to keep to the matter under consideration and to not repeat views expressed by other speakers.
7. The Ward Councillor will be invited to raise any points.
8. Members of the Panel will be invited to seek any further information or clarification but should not express a view on the merits of the case.
9. The Applicant or Agent will be invited to put forward points and answer any questions raised. The Chairman may permit any person or officer to speak again in order to clarify points raised.
10. Members of the Panel will be given a final opportunity to seek information.
11. If all relevant aspects of the plans, the site and its surroundings have not already been seen, the Panel will inspect them.
12. Members of the Panel will then retire to consider their views on the application in the light of the additional information obtained and to agree their report to the next meeting of the Planning Committee.
13. The Chairman may, in exceptional circumstances, alter or amend this procedure as deemed appropriate.
14. At the next meeting of the Planning Committee the Planning Officer will make an oral report on the site visit having regard to any additional information received and including both the majority and any minority views of the Panel; the matter will then be open to Committee to debate.

positive engagement

a guide for planning councillors
updated version

'The engagement of local councillors as leaders and representatives of the community is vital in the delivery of positive outcomes from the planning process.'

positive engagement

a guide for planning councillors

A message from **Iain Wright MP Parliamentary Under Secretary of State, DCLG** and **Paul Bettison, Environment Board Chairman, LGA**.

There have been some considerable changes over the last few years in how the planning process is delivered within England with a move away from an often adversarial, reactive and conflict based system towards a more pro-active, inclusive and creative approach.

As a local councillor involved in planning matters, whether as a ward councillor representing your area's constituents as a councillor responsible for drawing up the spatial plan for your area, or as a councillor responsible for deciding upon application you have a crucial role to play in both making the planning system work and ensuring the best possible outcomes for your community for both now and in the future. The engagement of local councillors as leaders and representatives of the community is vital in the delivery of positive outcomes from the planning process.

However, concerns are sometimes expressed about the compatibility of councillors meeting developers and interest groups and then taking decisions on an impartial basis.

This leaflet is an updated version of the positive engagement for elected members launched in 2005. It is intended to summarise the principles that should be observed to enable you to both participate in and lead the system.'

Paul Bettison

Iain Wright

In broad terms, the success of the planning system will depend on:

- establishing and taking forward a clear spatial vision for the area based on the sustainable community strategy
- effective dialogue between applicants, local authority, local people and other interests to help define and realise the vision
- ensuring that the spatial plan for an area embodies the aspirations of the community
- effective communication and ownership of policy between executive and planning committee
- the planning service being focused on outcomes
- early and effective community engagement in discussions on plans and development proposals, in accordance with the authority's Statement of Community Involvement.
- upholding the ACSeS Model Members Planning Code

As a community leader and local representative you will want to be involved in relevant public meetings, pre-application discussions and policy production. However, this may create some risks for councillors, particularly those who are members of the planning committee, and for the integrity of the decision making process. You should familiarise yourself with guidance found in the LGA guide *Probity in Planning (update)* – the role of councillors and officers, guidance from the Standards Board for England which provides an overview of the Model Code of Conduct which applies to all members and co-opted members of local authorities and the ACSeS Model Members Planning Code. (see the weblinks at the end of this leaflet).

Councillors can involve themselves in discussions with developers, their constituents and others about planning matters. However, difficulties can be avoided if you follow these useful general hints:

do

- ✓ always involve officers and structure discussions with developers
- ✓ inform officers about any approaches made to you and seek advice
- ✓ familiarise yourself with your authority's Code of Conduct and follow it when you are representing your authority
- ✓ keep your register of interests up to date
- ✓ follow your local authority's planning code
- ✓ be aware of what predisposition, predetermination and bias mean in your role – ask your monitoring or planning officer and refer to the Standards Board Occasional Paper on Predetermination, Predisposition and Bias if unsure
- ✓ be prepared to hold discussions with an applicant and your officers before a planning application is made, not just after it has been submitted to your authority
- ✓ preface any discussion with disclaimers; keep a note of meetings and calls; and make clear at the outset that discussions are not binding
- ✓ be aware of what personal and prejudicial interests are – refer to your monitoring officer and the Standards Board's website if you are unsure
- ✓ recognise the distinction between giving advice and engaging in negotiation and when this is appropriate in your role
- ✓ stick to policies included in adopted plans, but also pay heed to any other considerations relevant to planning
- ✓ use meetings to show leadership and vision
- ✓ encourage positive outcomes
- ✓ ask for training from your authority in probity matters
- ✓ recognise that you can lobby and campaign but that this may remove you from the decision making process
- ✓ feed in both your own and your local community's concerns and issues
- ✓ be aware that you can engage in discussions but you must have and be seen to have an open mind at the point of decision making

Protocol for Officers and Members for Dealing with Conflicts of Interest of Councillors in Professional Practice

- (a) In circumstances where a Councillor is instructed to act as a professional representative or adviser for a client on any matter involving the Council, the Councillor should declare his interest in writing to the Chief Executive as soon as possible and the Chief Executive shall then inform the relevant department(s) which is dealing with the matter.
- (b) On any approach to an Officer (whether oral or in writing) which is made in connection with any matter in which the Councillor is instructed to act as a professional representative for a client, the Councillor should declare to the Officer that he or she is acting in the matter as a professional representative for a client. In all cases the Officer should clearly establish with the Councillor, at the outset and before the matter is discussed, whether the Councillor is acting in his capacity as a professional representative for a client.
- (c) In all cases where a Councillor is acting as a professional representative for a client the Councillor should endeavour to conduct all professional dealings on that matter through the appropriate professional Officer of the Council in the relevant department. In all circumstances where an Officer receives an inappropriate approach from the Councillor having regard to this protocol that Officer should refer the Councillor to the appropriate professional Officer in the relevant department and should decline to discuss the matter with the Councillor.

In particular, in all matters where the Councillor is acting for a client and the matter is the subject of instructions to the Solicitor to the Council, the Councillor shall ensure that he or she conducts all of his dealings with the Solicitor to the Council (or the appropriate officer having the care and conduct of the matter in Legal Services).

- (d) Councillors acting as a professional representative or adviser for a client will almost certainly have a personal and prejudicial interest and must declare their interest and act in accordance with the Code of Conduct for Members if the matter comes before the Council (Councillors should also be reminded that they should apply the principles of disclosure of interests in their unofficial relations with other Councillors (e.g. party group meetings, or other informal occasions) no less scrupulously than at formal meetings of the Council – paragraphs 4 & 5 of the Code of Conduct for Members.
- (e) Where a Councillor has declared a conflict of interest under this protocol in respect of any matter, the Councillor shall not receive any confidential report or papers relating to that matter and the Chief Executive and all other Chief Officers shall exclude from the Councillor's rights of access or inspection any confidential report or other document relating to the matter. The declaration of a conflict of interest under this protocol shall be reported to the relevant decision making body of the Council and to the Monitoring Officer and/or a note thereof shall be included on every confidential report or other paper. No other Member of the Council shall disclose any such confidential report or paper to a Councillor who has declared a conflict of interest under this protocol.
- (f) Councillors who are members of a large professional practice need to check whether other parts of their firm have an involvement with clients whose business is coming before the Council. If so, an interest will need to be declared even if the matter is not being personally handled by the Councillor.

- (g) Councillors in professional practice in addition to complying with this protocol shall comply with any practice or conduct rules which have been issued by their own professional body in relation to their dealings with the Council.
- (h) Councillors in professional practice should be especially aware of the possible conflict of interest that may arise between their role as Councillor and their role as professional adviser to private clients. Careful regard must always be had to the Members' Code of Conduct and whenever such a conflict of interest may arise the Councillor is advised to consider whether he or she should declare a personal interest and whether it is also a prejudicial interest.
- (i) For the purposes of this protocol any references to
 - (i) "the Council" shall be taken to include the Council, the Executive, and any of the Council's or the Executive's committees, sub-committees, joint committees, joint sub-committees, area committees and any policy advisory groups or working groups.
 - (ii) "the relevant decision making body of the Council" shall include any of the Council's or the Executive's committees, sub-committees, joint committees, joint sub-committees, area committees and any policy advisory groups or working groups notwithstanding that the functions of any such body may be limited to the giving of advice or the making of recommendations or to undertaking an overview or scrutiny function.

Communication Strategy

Introduction

1. Effective communication of our plans, activities and ambitions will enable us to listen, capture and explain ideas and ambitions. Being inclusive will contribute to the District as a whole in creating and maintaining a world-class future built upon strong economic growth and safe, sustainable, self-reliant and prosperous communities.
2. Our methods of communication will be clear and concise, making the best use of everyone's resources, time, goodwill and energy, promoting positive outcomes and being transparent when things do not go as well. We will also make sure all communities and their representative groups can be involved productively.

Goals

3. Our goals are to:
 - Create a framework to support our activities and plans.
 - Let our partners, business and the public know what they can expect from us.
 - Make it clear how our communities can influence our decisions.
 - Follow the principles of the Dover District Compact.

Background

4. The feedback we have had identifies that we run a very tight operation and any changes to encompass necessary improvements in how we communicate to support our ambitions will involve increased expenditure. The obvious complication to this message is the local impact of turbulence within the international financial environment. Our strategy has been developed to accommodate the need to expand our communications while, at the same time, identifying how this can be funded. The strategy's objectives have been split between 2008/9 and 2009/10 to manage this process.
5. As part of the development of our communication strategy, we have researched our communities' thoughts about our current communications. The key messages coming back to us are:
 - Over 80% of residents read the Dover District Council @ your service newsletter.
 - Only around 20% of residents contact the Council monthly or more frequently.
 - Nearly 80% of residents feel we communicate well.
 - Residents state that they increasingly prefer to use electronic contact rather than traditional methods of face to face or letter.
 - Nearly 70% of residents believe they get their opinions heard by the Council.
6. Consultation and further research into best practice has identified that we need to:
 - Get on and deliver transformation and be concise and not over-burden consultees in the process.
 - Signpost and target our consultations and not just send out full consultation documents to everyone on our database.
 - Deliver what our strategy states we will and keep it as a 'living document'.

- Provide positive responses and gratitude to those who take the time to respond to our communications.
- Recognise and promote good ideas to be shared within our district, even if we are unable to take them forward ourselves.
- Look outwards to constantly understand best practice.
- Actively promote positive media relations.
- Ensure we connect our communications to other agreements and protocols.
- Better explain what we recognise to be 'world-class'.

Communication Vision

7. Our achievements, services and world-class aspirations are known by actual, and potential, partners, stakeholders, communities and visitors.

Values

8. All communications will meet our values, which are:
 - To treat everyone appropriately.
 - Be prompt, polite, courteous and respectful.
 - Use plain language and avoid jargon.
 - Keep you informed on the progress of your enquiry.
 - Explain our decisions clearly.
 - Listen well.
 - Openness and honesty.
 - Trust and respect.
 - Learning.
 - Team work.
 - Innovation.

Aims

9. Communication aims are:
 - (a) Communities
 - To have communities know how they can influence what we do and be involved with how we do it.
 - To encourage, recognise and publicise innovation, well-being, excellence and identity within all our communities.
 - Always use the most appropriate way to gain the views of our communities.
 - Engage with everyone who lives, works, contacts or visits the District.
 - Listen to what communities are saying.
 - Thank communities for engaging with us.
 - Be open to world-class ideas from wherever they may be.
 - Share good ideas so all communities can take them up.
 - Explain our decisions when communities views don't change things
 - Encourage people from different backgrounds to get on with each other.

(b) Openness and Trust

- Be transparent and accountable.
- Show how we provide value for money.
- Be consistent throughout the whole of our organisation.
- Build effective trusting relationships with media organisations.

(c) Fairness

- Promote a diverse and equal District.
- Improve the lives of those who visit, live, work and study in our District.
- Encourage trust in, and loyalty for, the District, individual communities and the Council.

(d) Learning

- Show how we learn from what we are told.
- Plan how we will use communication to support the targets we have agreed in our Corporate Plan.
- Understand from communities the right balance of communication.

Objectives

10. Communicate appropriately with those who will influence and be affected by our plans and activities.
11. Develop more open and proactive media relationships, both locally and regionally.
12. Create a workable budget for communication activity.
13. Refresh the branding of Dover District Council.
14. Promote effective internal communication.

Protocol for Health Scrutiny

1. These protocols are agreed within a context that assumes organisationally:
 - the bringing into force of the Health and Social Care Act 2001
 - Compliance with the *Overview and Scrutiny of Health – Guidance* issued in May 2003 and further guidance issued in July 2003
 - the continued existence at District/Borough level of local overview and scrutiny committees concerned with NHS matters
 - recognition of those bodies established to provide the Patients' Voice (currently Patients Forums)
 - the Committee and Patients' Forums will need to set up clear lines of communication and information exchange
 - a constructive partnership approach, based on mutual understanding between the Committee, the local authority executive function and local NHS bodies.
 - the continued development of partnership working, especially between Social Services and NHS bodies.

2. The protocols are based on the principles that NHS Overview and Scrutiny should:
 - Add value to existing processes.
 - Focus on supporting the improvement of health and health services to Kent residents.
 - Consider a health issue, system or economy, not just services provided.
 - Promote social, environmental and economic well-being.
 - Address issues of health inequalities between different groups, and working with NHS and other partners develop a dialogue to achieve health improvement.
 - Include reviewing the local authorities' contribution to the health of local people.
 - Demonstrate the local authorities' role of community leadership.
 - Minimise the additional administrative burdens on local authorities or NHS bodies.
 - Develop jointly between the local authorities and the NHS bodies.
 - Operate at different levels within Kent.

3. Success factors for the protocols are:
- Positive outcomes of Scrutiny – for example, breaking logjams that prevent vulnerable people from accessing the services they need, co-ordinating public consultation on health issues across agencies, or attracting greater resources for public health and the prevention of ill health.
 - Involvement of NHS bodies and other local stakeholders in discussions about the purpose and scope of each scrutiny in addition to finding solutions.
 - Progress made on difficult issues, securing positive or sustainable improvement.
 - Issues tackled jointly across local agencies.

STRUCTURES

4. Overview and Scrutiny structures will comprise:

Patients' Forums

- Dialogue focused on service providers (Acute, Primary Care, Mental Health and Ambulance Trusts).

District Council Overview and Scrutiny Committees

To look at local service issues:

- Local co-ordination (or joint committees) to ensure cross-district issues dealt with jointly and involve KCC for a strategic overview.
- KCC to propose a framework for delegation of issues to District/Borough level, where an issue is confined within a single Primary Care Trusts boundary.
- Local KCC Members and Patients' Forum representatives to have rights of participation.
- Focused on Primary Care Trusts.

KCC Health Service Overview and Scrutiny Committee

As a local authority with Social Services responsibilities it will be important for KCC's Committee to look at broad and wide-ranging issues that affect people's health and wellbeing, with District Council and Patients' Forum representatives having rights of participation.

The Committee will:

- Undertake two or three major themed (topic) reviews each year, plus reviews of service reconfiguration proposals and cross-cutting themes (such as Drugs or Transport). Reviews will be conducted by Select Committees (ad hoc time limited Sub-Committees, including District Council and Patients' Forum Members), reporting to the KCC Health Service Overview and Scrutiny Committee.

- Consider reference of service reconfiguration proposals to the national Reconfiguration Panel.
- Receive reports and presentations from the NHS on topical health issues and initiatives.
- Focus on the Strategic Health Authority area.

Medway Overview and Scrutiny Committee

To combine both levels of operation within the Medway area but linked into the co-ordinated system.

CO-ORDINATION

5. Overview and Scrutiny activity at local and Kent level needs free exchange of information and protocols for co-ordination of work and resolution of conflicts. To facilitate this there will be:
 - a regular meeting of Committee Chairmen and NHS representatives to agree a programme of work across the county and Medway
 - a similar officer forum to support and advise the Chairmen on the work programme and co-ordinate requests for NHS officers to provide papers, information or attend committee meetings, supported by day-to-day dialogue.
6. The KCC Committee membership allows for District Council and Patients' Forum membership:
 - a permanent representation of four District/Borough Council Members one for each of the four Health Economies in Kent and six representatives of Patient For a
 - a right for the Chairmen of each District/Borough Council Overview and Scrutiny Committee (or another relevant Member) and a representative of each Patients' Forum to attend and speak at the KCC Committee on a matter particularly affecting that area
 - appointment of members of relevant District Overview and Scrutiny Committees and Patients' Forums to individual topic reviews (agreed through the Chairmen's meeting)
7. District Committees will allow local KCC Members and Patients' Forum representatives to attend and speak at the Committee.
8. KCC and Medway Council will establish joint Overview and Scrutiny Committee where issues cross boundaries and patient flows warrant it. This principle will also apply to neighbouring Strategic Health Authority areas and the Overview and Scrutiny Committees in those areas.

REVIEW PLANNING

9. Overview and Scrutiny will include briefings, seminars, reports, consultations and reviews, as well as matters referred to the Committee by Patients' Forums. Each review should be preceded by a Review Plan discussed within the officer forum and agreed with the relevant NHS bodies. To reach final agreement, issues may be considered in some detail at the meeting of Chairmen and should then be considered by the relevant Overview and Scrutiny Committee after the NHS representative has attended the Committee to express the NHS view and answer member questions.

(NB: Draft Review Plans will involve the elected Members of the Local Authority concerned.)

10. The Review Plan should:

- be drawn up with the involvement of the NHS, beginning with a scoping meeting that includes lead NHS manager(s) and clinician(s) as appropriate to assist the committee in accessing the information it needs and to enable appropriate terms of reference to be set and to agree the general nature of the expected outcome
- set the terms of reference for the review
- set an approximate timetable of meetings and a reporting date
- state the officers supporting the review within the local authority, the NHS and Patients' Forums and estimate the time commitment required of them
- state the main witnesses and information sources expected to be involved.

REVIEW ADMINISTRATION

11. The arrangements for meetings of Overview and Scrutiny Committees shall ensure that:

- Dates for witnesses to attend Committee meetings are agreed with witnesses as far in advance as possible.
- Witnesses will be consulted about convenient dates for them to attend, within the review timeframe (NB Clinicians need at least six weeks' notice in order to avoid compromising patient care).
- NHS Chief Executives and other local authorities' Chief Executives arrange for appropriate officers chosen by them to attend to give evidence on the identified topics (subject to any provision to be made in statutory regulations).
- Advance notice of two weeks should generally be given of the areas to be covered in questioning in order for appropriate briefing to be to hand.
- Information is wherever possible distributed to the Committee in writing before the witness attends.

MEETING PROTOCOLS

12. All Overview and Scrutiny Committees should incorporate in their Procedure Rules or otherwise ensure that:
- Committee Members should endeavour not to request detailed information from officers of the NHS or another local authority at meetings of the Committee, unless they have given prior notice through the Clerk. If, in the course of question and answer at a meeting of Committee, it becomes apparent that further information would be useful, the officer being questioned may be required to submit it in writing to members of the Committee through the Clerk.
 - In the course of questioning at meetings, officers of the NHS or another local authority may decline to give information or respond to questions on the ground that it is more appropriate that the question be directed to a more senior officer or Member.
 - Officers of the NHS or another local authority may decline to answer questions in an open session of the Committee on the grounds that the answer might disclose information which would be exempt or confidential as defined in the Access to Information Act 1985 and the Freedom of Information Act once enacted. In that event, the Committee may resolve to exclude the media and public in order that the question may be answered in private session.
 - Committees may not criticise or adversely comment on any individual officer of another local authority or of an NHS body by name

REPORTING

13. All local authorities should ensure that:
- A record is made of the main statements of witnesses appearing before the Committee and agreed with those witnesses prior to publication or use by the Committee. Committee meetings may be electronically recorded.
 - Drafts of Committee reports and recommendations be made available for comment by the relevant NHS body (or local authority), allowing that body two weeks in which to respond, if their operations might be commented on, and any adverse comments or concerns reported to the Committee before the final report is published. Responsibility for the report lies with the Committee which produced the report.
 - The Chief Executive of any NHS body and/or the Chief Officer of any other local authority involved with the review is given advance notice of the date of publication of the report and consulted on the text of any accompanying press release.
 - Reports include an agreed timetable for any NHS body and/or other local authority involved to publish a response to the report's recommendations, once confirmed by the appropriate Overview and Scrutiny Committee.

SERVICE RECONFIGURATIONS

14. NHS bodies remain responsible for public and other consultation on service reconfiguration proposals.
15. The intention to carry out a consultation will be discussed in the officer forum.
16. The KCC Health Service Overview and Scrutiny Committee will consult District/Borough Councils and Patients' Forums for the areas affected by each proposal on whether to:
 - consider the matter at a full meeting of the Committee
 - set up a KCC Select Committee to consider the proposal
 - request a District/Borough Overview and Scrutiny Committee to consider the proposal.
17. If a Select Committee is established or a District/Borough Overview and Scrutiny Committee requested to carry out a review:
 - paragraphs 9-13 above shall apply to its work programme and proceedings
 - the Review Plan shall as far as possible be integrated with the NHS body's consultation programme
 - consideration shall be given to:
 - including one or more members of District/Borough Councils on the Select Committee or KCC members on the District/Borough Overview and Scrutiny Committee
 - including Patients' Forum members on the Committee
 - other arrangements for ensuring all local authorities and Patients' Forums may express their views and seek information on the proposal
 - the review report shall be submitted to the KCC Health Service Overview and Scrutiny Committee who will consider the recommendations together with any response by the NHS body and decide whether to refer the proposal to the Reconfiguration Panel.

Part 6 Members' Allowances Scheme

Version: March 2024

[This page intentionally left blank.]

Members' Allowances Scheme

1. Introduction

- 1.1 The Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended) requires local authorities to prepare schemes for the payment of allowances to their members.
- 1.2 The 2003 Regulations (as amended) stated that authorities must establish a scheme of allowances under those Regulations by 31 December 2003. Authorities making schemes are required to make provision for the payment of basic allowances and may also provide for the payment of special responsibility allowances, dependants' carers allowances, travelling and subsistence allowance and co-optees' allowances.
- 1.3 The Council has established an Independent Remuneration Panel in conjunction with Canterbury City Council and Thanet District Council. Authorities must have regard to the recommendations made by an independent remuneration panel before making or amending a scheme in accordance with the Local Authorities (Members Allowances) (England) Regulations 2003.
- 1.4 At the meeting of the Council held on 6 March 2024 the Council duly made its Members' Allowance Scheme as set out below.

2. Commencement and Period of Scheme

- 2.1 This Scheme is made by Dover District Council pursuant to Section 18 of the Local Government and Housing Act 1989 (as amended by Section 99 of the Local Government Act 2000) and the Local Authorities (Members' Allowances) Regulations 2003.
- 2.2 This Scheme has effect from 1 April 2024 and applies to the payment of members' allowances from 1 April 2024 until 31 March 2025 and subsequent years thereafter (subject to any revocation or amendment).
- 2.3 The Scheme shall remain in force unless and until revoked by the Council with effect from the beginning of a year.
- 2.4 The Scheme may be amended at any time provided that regard is had to the recommendations of the independent remuneration panel.

3. Revocation of Previous Schemes

- 3.1 All previous schemes made by the Council for the payment of members' allowances were revoked with effect from 1 April 2024.

4. Basic Allowances

- 4.1 A Basic Allowance shall be paid to each Member of the authority who is a councillor in the amount set out in Schedule 1.
- 4.2 The Basic Allowance is intended to cover the full range of work expected of a ward councillor together with incidental expenditure on matters such as stationery, postage, telephone and broadband costs.

- 4.3 Where the term of office of a Member begins or ends otherwise than at the beginning or end of a year, his/her entitlement shall be to payment of such part of the Basic Allowance as bears to the whole the same proportion as the number of days during which his/her term of office as Member and councillor subsists bears to the number of days in that year.

5. **Special Responsibility Allowances**

- 5.1 Special Responsibility Allowances shall be payable to those Members of the authority who are councillors as hold those offices (which have special responsibilities in relation to the authority) as are specified in Schedule 2.
- 5.2 The amount of each Special Responsibility Allowance shall be as specified in Schedule 2.
- 5.3 Where a Member does not have throughout the whole of a year any such special responsibilities as entitle him/her to a Special Responsibility Allowance, his/her entitlement shall be to payment of such part of that allowance as bears to the whole the same proportion as the number of days during which he/she has such special responsibilities bears to the number of days in that year.
- 5.4 No Member shall be entitled to more than one Special Responsibility Allowance. Where a Member holds more than one office, then the higher of the Special Responsibility Allowances shall apply.

6. **Appropriate Adjustments**

- 6.1 The Section 151 Officer shall be authorised to make provision for any appropriate adjustment if necessary in respect of any Basic Allowance or Special Responsibility Allowance which:
- (a) has already been paid under the previous scheme in respect of the remainder of the year from which this Scheme has effect; or
 - (b) is to be paid in respect of any part of the year during which the previous scheme had effect.

7. **Travelling and Subsistence Allowance**

Travelling Allowance

- 7.1 Travelling Allowance shall be available to Members of the Council (including Co-opted members) in such amount or amounts as may be specified in Schedule 5 and subject to such conditions as are set out therein and below.
- 7.2 Travelling Allowance shall only be payable to Members in respect of actual expenditure incurred in connection with or relating to the approved duties shown below. The scheme does not allow for travelling expenses to be paid to Members arranging meetings with officers or attending to Ward work as this is deemed to be part of the Member's role and Members' allowances paid are calculated to reflect these extra duties.

- 7.3 For the purposes of the payment of travel expenses, all travel will be deemed to have commenced from the Member's current address or, if this is not within the administrative area of the Council, from the address through which the Member qualified to stand for election.
- 7.4 For journeys outside Kent the second-class rail fare is paid (irrespective of whether the Member chooses to use a car), although any taxi fares, parking charges and underground fares incurred as part of the journey may still be claimed for separately. Where it is impracticable for a Member to travel by train because the venue is difficult to get to within the time allowed, or to avoid an overnight stay, or extra passengers/luggage has to be taken, car mileage may be allowed at the appropriate rate provided that a self-certification form explaining why it is impractical has been completed and submitted to Democratic Services prior to the journey.
- 7.5 Attendance at meetings of the Council or of any of its committees, sub-committees, working or liaison groups, appeal panels and ad hoc meetings recorded in official minutes to which a Member has been appointed or at which she or he is acting as a Substitute for another Member.
- 7.6 Attendance at meetings of the Cabinet or of any Committee of the Cabinet or policy or project advisory groups to which a Member has been appointed or at which she or he is acting as a Substitute for another Member. Members of the Shadow Cabinet, Chairmen of Scrutiny Committees and recognised Group Spokespersons shall also be eligible to claim for attendance at meetings of the Cabinet.
- 7.7 Requested attendance at meetings of Overview and Scrutiny Committees.
- 7.8 Meetings pursuant to any Joint Arrangements with another or other local authorities whether appointed or established under the Local Government Act 2000 or any other enactment.
- 7.9 Official briefing meetings which relate to an approved meeting as set out in 1.1 and 1.2 above where officers have specifically invited the Member. This scheme does not allow for travelling expenses to be paid to individual Members arranging meetings with officers as this is deemed to be part of the Member's role and Members' allowances paid are calculated to reflect these extra duties. For example: visiting the Council offices to discuss with an officer a matter raised by a member of the public in the Member's Ward.
- 7.10 The Chairman of the Council, Vice-Chairman of the Council, Leader of the Council, Cabinet Members, and Shadow Cabinet Members may claim travel expenses for attending briefing meetings initiated at their request with officers as long as the meeting is related to their role.
- 7.11 Site meetings approved in advance by the Council, a committee or sub-committee, and limited to members of the committee or sub-committee in question.
- 7.12 Attending the approved duties as set out in Table 1 of Schedule 5. (Travelling arrangements should be co-ordinated to avoid duplicate claims wherever possible, particularly in instances where a Council Officer is also attending).
- 7.13 There is also a general duty permitting the Leader or nominated deputy to represent the Council at formal meetings not specified elsewhere with other authorities, official bodies or agencies for the purposes of any function of the Council.
- 7.14 Training, induction courses and seminars arranged for Members.
- 7.15 Attending the Council offices in relation to ICT equipment issued by the Council to Members.

- 7.16 Attendance at the Council Offices for the purpose of collecting paper copies of agendas that a Member has requested is not covered under this scheme.
- 7.17 The performance of any duty in connection with the discharge of any function of the authority conferred by or under any enactment and empowering or requiring the authority to inspect or authorise the inspection of premises.
- 7.18 The performance of any duty in connection with arrangements made by the authority for the attendance of pupils at any school approved for the purposes of section 342 (approval of non-maintained special schools) of the Education Act 1996.
- 7.19 The carrying out of any other duty approved by the Council, or any duty of a class so approved, for the purpose of, or in connection with, the discharge of the functions of the Council or any of its committees or sub-committees. Provided always that the approved duties for which Members are eligible to claim travel and subsistence allowance shall not include cases where the Member is acting solely in his/her community role or carrying out ward business.
- 7.20 Co-opted and independent members of Committees, Boards and Panels receive travel allowances in the same way as elected members of the Council.
- 7.21 All claims for travel allowances must be submitted to Democratic Services within 90 days from the date on which the entitlement arises. Any claims made outside of this will not be accepted unless reasonable extenuating circumstances can be provided to the Head of Corporate Services and Democracy as to why the claim could not be submitted within 90 days.

Subsistence Allowance

- 7.22 Subsistence Allowance shall be available to Members of the Council (including Co-opted members) in such amount or amounts as may be specified in Schedule 5 and subject to such conditions as are set out therein and below.
- 7.23 Subsistence Allowance shall only be payable to Members in respect of actual expenditure incurred in connection with or relating to the approved duties shown below.
- 7.24 The carrying out of any other duty approved by the Council, or any duty of a class so approved, for the purpose of, or in connection with, the discharge of the functions of the Council or any of its committees or sub-committees. Provided always that the approved duties for which Members are eligible to claim subsistence allowance shall not include cases where the Member is acting solely in his/her community role or carrying out ward business.
- 7.25 Co-opted and independent members of Committees, Boards and Panels receive subsistence allowances in the same way as elected members of the Council.
- 7.26 For the purposes of subsistence allowance, a meal is defined as a combination of food and non-alcoholic drink. The allowance is for actual expenditure, and Members should provide appropriate evidence of their expenditure.
- 7.27 The Member should be absent from home or the council offices for a continuous period as per schedule 5.
- 7.28 Subsistence claims will only be paid where the Member is required to travel outside of the East Kent districts of Dover, Thanet, Canterbury and Folkestone and Hythe.
- 7.29 All claims for subsistence allowances must be submitted to Democratic Services within 90 days from the date on which the entitlement arises. Any claims made outside of this time limit will not be accepted unless reasonable extenuating circumstances can be provided to the Head of Corporate Services and Democracy as to why the claim could not be submitted within 90 days.

8. **Dependants' Carers' Allowance**

- 8.1 A Dependants' Carers' Allowance shall be available to Members of the Council (a) in such amount or amounts as may be specified in Schedule 7 and (b) subject to such conditions as are set out in Schedule 7 and below.
- 8.2 A Dependant's Carer's Allowance shall only be payable to Members in respect of actual expenditure incurred in connection with or relating to the approved duties set out. The payable cost is for the duration of the specified approved duty plus reasonable travelling time associated with it.
- 8.3 A Dependant's Carer's Allowance shall only be payable to Members in respect of the expense of arranging for the care of a spouse, partner, child, parent, or a person who lives in the same household as the Member otherwise than by reason of being his/her employee, tenant, lodger or boarder.
- 8.4 The carer must not be a member of the claimant's immediate family i.e. spouse or partner, other children of the Member or Member's spouse, or any member of the Member's family who lives at the same address as the Member; nor should it be an employee, tenant, lodger or boarder who lives at that address.
- 8.5 Payment of the allowance shall only be made on satisfactory production of an invoice.
- 8.6 Such allowances paid to a Member shall be unlimited.
- 8.7 All claims for such allowances must be submitted monthly to the Head of Corporate Services and Democracy. Any claims made outside of this time limit will not be accepted unless reasonable extenuating circumstances can be provided to the Head of Corporate Services and Democracy as to why the claim could not be submitted within 90 days.

9. **Index Linking**

- 9.1 NOT USED

10. **Back Dating**

- 10.1 Where an amendment of this Scheme is made which affects an allowance payable for the year in which the amendment is made, the Member's entitlement to such allowance as amended shall apply with effect from the beginning of the year in which the amendment is made.

11. **Repayment**

- 11.1 Where payment of any allowance has already been made in respect of any period during which the Member concerned is:
- (a) ceases to be a Member of the authority; or
 - (b) is in any way not entitled to receive the allowance in respect of that period,
- the Council may require that such part of the allowance as relates to any such period shall be repaid to the Council.

12. **Membership of More Than One Authority**

- 12.1 Where a Member of the Council is also a member of another authority, that member may not receive allowances from more than one authority in respect of the same duties.

In order to facilitate payment, claim forms should be completed in full detail and any appropriate receipts or vouchers must be attached. Canterbury City Council

Dover District Council

Thanet District Council

together referred to as 'the Parties'

1. Key Principles for the Scrutiny of the East Kent Services Committee

- 1.1 The members of the all the parties will work together to maximise the exchange of information and views, to minimize bureaucracy and make best use of the time of members and officers.
- 1.2 The guiding principle for the operation of scrutiny is that it should be consensual, positive and transparent. The emphasis of the work should be on making proactive contribution to the development of policy and the discharge of the functions of the East Kent Services Committee ('EKSC'). This is best achieved by an inclusive process covering members, the parties' partners, service users and officers.

2. Purpose

- 2.1 The purpose of this protocol is to facilitate the performance of the scrutiny function of each of the parties under the Local Government Act 2000.
- 2.2 If any party changes its political management arrangements this Protocol shall cease to apply to that party insofar as its statutory powers are concerned but it would seek to carry out non-statutory scrutiny in a manner consistent with its constitution and this protocol

- 3.1 The parties agree to use their publicity in connection with key decisions, residents surveys and other material to identify topics for future scrutiny and for inclusion in their scrutiny work programme. To this end the parties shall endeavour to co-ordinate their activities.

4. Call-In

- 4.1 A procedure for the operation of call-in by the parties has been agreed and is set out in the Schedule.
- 4.2 Where there is a call-in by any of the parties each of the other Parties will be notified forthwith. The call-in shall be heard by the call-in Party's appropriate scrutiny committee in accordance with the call-in Party's own arrangements. Where there is

more than one call-in on the same subject the parties shall endeavour to co-ordinate their activities.

- 4.3 The call-in procedure set out in clauses 4.1 and 4.2 above shall not apply where the decision being taken by or on behalf EKSC is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the interests of any of the Parties or the public interest. The record of the decision and notice by which it is made public shall state whether, in the opinion of the decision maker, the decision is an urgent one and therefore not subject to call-in. The suspension of call-in (including the obtaining of any necessary consents) shall be dealt with in accordance with each parties' constitutional arrangements. Decisions taken as a matter of urgency must be reported to the next available full Council meetings of each of the Parties, together with the reasons for urgency.

5. Amendments to this Protocol

- 5.1 This protocol may be amended by the unanimous agreement of the parties.

6. Administration

- 6.1 The decisions and recommendations of the parties scrutiny committees will be communicated to EKSC and the participating councils as soon as possible after the resolution of the committee.

If referred to the decision maker they shall then reconsider within a further 10 working days, amending the decision or not, before adopting a final decision.
